WARNING!! Do not type in or try to change any cell which is highlighted in YELLOW. When entering times please use the same format as in the NFT column, i.e. m.ss.0. If a time you enter is fater than the NFT then it should appear in red. Times which are within the NFT will appear in black Please use only the codes that are on the separate code sheet for the place box. These will automatically cause the correct points to be awarded. As places are only awarded to times within the NFT, the highest time within the NFT is awarded 1st place and so on until all the qualifying times are placed.
