WELCOME

Welcome to the

We would like to extend our thanks to the many volunteers (officials and support staff) who have given up their time to help run this event. Without them the swimmers would not have a Championship to attend.

SAFETY NOTES

Everyone attending Hertfordshire A.S.A. events must take all necessary steps to ensure their own safety and the safety of others. Anyone observing anything they consider to be a safety hazard **must report it immediately** to the Referee and/or a member of the pool staff.
Everyone must familiarise themselves with the locations of the emergency exits, which are clearly marked. The floor areas leading to the emergency exits must be kept clear at all times.
In the event of an incident or need for evacuation of the building, The Venue staff will take charge and direct people as necessary.
The Learner Pool is unsupervised and as such is out of bounds at all times during the gala.
Sitting/standing/walking/running or jumping on the cover is forbidden.
Swimmers must wear suitable clothing and footwear on poolside. Swimmers are **NOT** allowed in the spectator seating area.

USE OF PHOTOGRAPHIC EQUIPMENT:
In accordance with the ASA Child Safeguarding Policies and Procedures any parents or carers of swimmers under the age of 18 who wish to take photographic or video images are requested to focus on their own child as much as reasonably possible and to avoid including other children in those images, particularly if those images are being shared with family and friends through social media platforms.

STRICTLY NO PHOTOGRAPHS TO BE TAKEN IN THE CHANGING VILLAGE

THIS APPLIES TO SPECTATORS, COACHES/TEAM MANAGERS, OFFICIALS and SWIMMERS

Age Group medals can be collected from the medals table.
All Age Group medals must be collected before the competition finishes – **no medals will be awarded/delivered after the last day of competition.**

NOTES FOR SWIMMERS & COACHES

Coaches are not allowed into the marshalling area or behind the blocks/on the ramp. If coaches are in these areas they will be asked to leave.

It is the responsibility of the competitors/coaches/clubs to ensure that all swimmers are qualified to the level of the "ASA Competitive Start Award", to perform a dive start under the above conditions.
There will be a one-way system in operation during racing in order to keep the area behind the blocks clear apart from officials.

In the event of a false start, swimmers must continue with a shallow racing dive and **NOT** topple into the water head down as this is dangerous. No swimmers will be allowed to start in the water other than for Backstroke and Medley Relay events.

REMEMBER : DIVING INTO SHALLOW WATER IS DANGEROUS

Swimmers are reminded that they must **NOT** change on poolside – any swimmer observed changing on poolside will be asked to go to the changing village to change.

Swimmers must not do anything that could endanger themselves or others. Similarly coaches must ensure that they personally, and swimmers in their charge, observe this requirement. The instructions of the marshals/lifeguards and others in authority **MUST** be obeyed immediately. exit the pool at the sides.

During the warm-up and throughout the gala swimmers must not sit on the lane ropes nor climb out over the turn boards. Swimmers **MUST** exit the pool at the sides.
