

Newsletter #2 Vol. 2020

Welcome to the February 2020 edition of the Swim Ireland Newsletter! Since we last spoke in January, everything has kicked off!

In this month's Newsletter, the Performance teams continue their build-up to Olympic Trials (April 1-5) with the McCullagh International taking place February 20th - 23rd, while we also hear from the first of 2020's Club Days, the latest on Swim for a Mile and Get Ireland Swimming.

Our disciplines have been busy with great success for our U17 water polo players in Manchester and Sheffield, an International Ice Mile Swim took place in Clontarf while a number of Irish Masters Records fell at home and abroad.

We also have information on upcoming education courses including Blended Level 1 and Level 2 Teaching and Coaching Courses, how your club can get involved in our Learn to Swim and upcoming regional AGMs.

Read on to catch up on all of the latest news.

Please give a warm welcome to the **Alsaas Swim Club**, a new club based at the Alsaas swimming pool in Dublin Airport!

Although young, it benefits from Swim Ireland Level 3 Coach and Tutor Paolo Di Paola, and has a Learn to Swim Programme for younger children. For further information please email: info@alsaaswimclub.com or visit www.alsaaswimclub.com

Alsaas has already officially entered the Irish swimming scene with 3 swimmers competing in the Leinster Long Course Qualifying Meet in January 2020, two of which qualified for National Division 2.
