

Return to Training

Covid-19 and Risk Awareness Declaration

MEMBER NAME: _____

I am returning to training having completed the Health Survey.

By signing this declaration, I confirm that I am free from any symptoms related to the Covid-19 virus, I understand the main symptoms include:

- a high temperature – this means you feel hot to touch on your chest or back
- a new, continuous cough – this means coughing a lot for more than an hour, or three or more coughing episodes in 24 hours
- a loss or change to your sense of smell or taste.

I am also confirming all in my household remain symptom free, and anyone taking me to or from training and attending my training session with me is also symptom free from the virus.

By signing this declaration, I confirm that for any future training sessions I will only attend in the full knowledge that I am free from any Covid-19 symptoms. In addition, but conversely confirm by signing this declaration that if I do display any symptoms I will not attend training for a period of at least 14 days and follow government guidance to self-isolate.

I am also confirming all in my household will follow the government guidance on quarantine and self-isolation following any travel abroad.

I return to training knowing that participation cannot be without risk, I am therefore aware of these risks associated with the Covid-19 virus, but I still wish to participate in club training.

I understand the processes and protocols HARINGEY AQUATICS have put in place in order to reduce risks and I will adhere to these in order to protect my health and the health of other members, staff and other users of the facility.

I also understand that the club will have to be flexible and responsive due to the evolving government advice around Covid-19, and the fact that circumstances will change.
