

## **Records Policy**

### **Approved May 3, 2022**

#### **Preamble:**

The Bermuda Amateur Swimming Association (BASA) ratifies and maintains a record of top achievements in the sport. There are 2 categories of records: National Records and Resident Records.

#### **Bermuda National Records**

Bermuda National records may be established by a Registered BASA swimming member who is a Bermuda citizen. Citizens comprise: Bermuda Status Holders; Deemed to be Bermudians, BOTC through Naturalization, Dependents of BOTC through Naturalization, including the period from turning 18 to obtaining BOTC through Naturalization.

BASA does not classify a registered member as being non-resident because of being overseas for education.

These records can be broken anywhere if the competition is sanctioned by BASA, FINA or meets sanctioned by another country's NSGB.

#### **Relays**

A Bermuda National age group relay record is set when at least one member of the relay team meet the Bermuda Nationality requirements. This includes Bermuda National senior records.

#### **Records may be established in the following categories for Bermuda National Records**

- 10 and under
- 11-12
- 13-14
- 15-16

#### **BASA Resident Registered Member Records**

BASA Registered Member records may be established by a swimmer who has been resident on the island for at least one year and has been registered with BASA for a minimum of one year. These records may be held by any BASA registered swimmer. Only swims which are faster than the record established by a Bermuda citizen will be recorded and shall be identified separately. The time established by the Bermuda citizen shall stand as the official Bermuda record.
