

BULLETIN

May 23, 2023

Follow us on social media!

Attention all National Federations! We appreciate it if you can please share this link with ALL the athletes and coaches in your organization. We would like to get to know each PAQ member and stay connected with them. Click [here](#) for the link.

FEATURED ATHLETE:

Fernanda Luna (MEX), 16 years old - Goalie
Panam U17 Water Polo Championships in Bauru (BRA)

“For me this tournament meant a lot of effort. I learned the importance of being confident and having control over my mind and body in order to achieve my goals and the group goals. And we did. We qualified for the 2024 World U-18 Championship. I am excited to keep growing in my career and reach out for the greatest”.

FROM OUR PARTNERS

What was the intuition behind racing lane lines? Don't miss the fantastic story of Tommy Malmsten, former swimmer, and Swedish national coach who, in 1974, had the intuition to create products that revolutionized the swimming industry. This is the story of Malmsten, an international symbol of quality and innovation within the swimming world - [45 years of bettering the Aquatic World](#).
