

Exchange Easter
17-22 April 2014
DAW Alkmaar-Bath Dolphin

Welcome to Alkmaar

Dear friends,

A year after our visit to Bath in 2013 we would like to welcome you this year in Alkmaar and we hope you will have a wonderful time with us.

This year it is 66 years ago that members of Bath Dolphin Swimming Club visited Alkmaar for the first time. And since 1948 there have been a lot of exchanges between the two swimming clubs. During these years many hundreds of swimmers of both clubs have visited their twin city and we have made a lot of friends during all these years.

For most of the children it's the first time they visit Alkmaar and our club and we hope that when you go back to Bath on Tuesday you will have a good impression of DAW, Alkmaar and its surroundings.

This little book contains names and addresses of the host families, the names of the guests and also the programme of the following days.

We hope that everybody will have a nice stay in Alkmaar, hopefully with nice weather and a lot of fun.

On behalf of the members of DAW
