

## Mobile Phone Policy

- In accordance with the rules set down by our pool provider, mobile phones are not permitted to be used or on show in the changing rooms at any time, this includes competitions.
- Swimmers/players are not permitted to use mobile phones during training sessions and mobile phones should be stored safely in bags and only used off poolside in case of emergency.
- At competitions, no filming is allowed on poolside other than by coaching staff or associated team managers.
- Coaches may give a verbal warning if they see mobile phones being used and phones may be confiscated by the coach for the remainder of that session.
- If swimmers/players consistently break these rules, they will be referred to our welfare officer.
