

City of Glasgow Swim Team - Swimmer Pathway

Our Coaching and development programs are designed to ensure our swimmers can achieve as much possible as they progress through the swimming pathway. We welcome swimmers of all levels, abilities and ages from learn to swim graduates through to Masters swimming. We have a place in our club for swimmers who wish to swim competitively or just for fitness.

Our coaches are fully qualified and focussed on the progression of their athletes providing them with guidance, support and knowledge as they grow as an athlete and as a person.
