

How to become a member of the Daventry Dolphins Swimming Club

Initially the first point of contact is the Honorary Secretary and Registrations Officer: Mrs Lesley Sharp

Email: daventrydolphins1962@gmail.com Telephone: 01327 876873

You will receive a response at the earliest opportunity.

- You will be asked some questions as to what ability the swimmer is.
- Then be asked to complete and return a taster application form.
- Following receipt, you will then be given a specific date and time to attend, together with information as to what you need to take with you.
- However, you have to be a swimmer, minimum age 6years old.
- An example of the standard required would be for the applicant to be MINIMUM Stage 7/8 of the British Gas Amateur Swimming Association 'Learn to Swim' pathway formerly known as National Plan for the Teaching of Swimming.
- In conjunction with the Daventry Leisure Centre, the Club has an Academy squad and this is a fast track opportunity for swimmers aged 6-8years at 31st December 2016 who are at Stage 6/7 ability to have the opportunity to attend in addition to their 'learn to swim' programme.
- It is important to stress that the Daventry Dolphins Swimming Club is a competitive swimming club and that swimmers are trained to compete.
- It is not a social swimming club.
- We are not a teaching club and do not take non swimmers
