

BSC Updates

Just wanted to drop everyone a quick note on some positive updates with further progress for the Autumn Term.

Please be aware, the only constant at present is **change** 😊

- 1) Currently everyone has one swim session available to them, if you have not booked yours yet, go to our “Autumn Term back to the Pool” webpage where you will find the links etc - https://uk.teamunify.com/SubTabGeneric.jsp?team=erhbsc&_stabilid_=157223
- 2) We are awaiting Berkhamsted School to confirm what they will be doing; we hope to get an update mid-September, however this is not stopping us from bringing in other options.
- 3) We are also looking at Abbots Hill School (HP3 8RP) who have a nice 20m 4 lane pool, discussions ongoing.
- 4) We can also now confirm that Everyone Active (EA) and Dacourm Borough Council (DBC) have agreed our request for extended term time sessions, so all sessions are now confirmed as per the Autumn Term Training Schedule - https://uk.teamunify.com/SubTabGeneric.jsp?team=erhbsc&_stabilid_=156770
- 5) We are now also in a position to offer early morning sessions, based on the 32 people who wanted this these, they will be Tuesday & Friday at 05:45 to 06:50. If you are interested, please book one session using the link below. We are aware that some swimmers may need to access to the Changing Rooms & Showers, these are still restricted, so please denote if you need them and we will see what we can do. These sessions are open to all swimmers, we are hoping to start these next week - <https://forms.gle/768JY1E8TcQEhHFW9>
We will however also need CLO's to cover this please – <https://forms.gle/hrwLPpi9ZX4YuCUK7>
- 6) As we acquire more pool time, we will adapt training sessions as and when we can and provide the whole Club additional session(s).
- 7) Land Training – we will be restarting Land Training, commencing Tuesday 8th Sept at 18:00 and then again Thursday 10th Sept at 18:00 for one hour. We will then continue on subsequent weeks with the same schedule. Geoff did change the times based on feedback, but attendance was worse, so we have moved back to 18:00. This is open to everyone, including parents, details can be found on our website (please sign in first) - https://uk.teamunify.com/SubTabGeneric.jsp?team=erhbsc&_stabilid_=157103
- 8) Club Fees – we are still working through how we adapt Club Fees; this is compounded by my comment earlier i.e. change. Everything we provide above and beyond our usual sessions, costs additional monies that as a Club we are trying to cover. At present we do not have Knox Johnston costs and thanks to you all, we have a small pot of money to help keep our head above water in the short term. As soon as we can nail this particular jelly to the wall, we will advise what we are going to do with Club Fees.

We are trying very hard at present to provide as many sessions and facilities as we can, we very much appreciate your continued patience and support.

Steve
