

BSC Early Morning Sessions

I am pleased to announce that for Friday's we have enough interest from swimmers to run these early morning sessions.

We are currently looking at 12 swimmers (and drivers) who wish to get up at the crack of dawn to swim, not forgetting Geoff who will be running the session.

We will commence this Friday 11th Sept with the first session, with registration starting at 05:45. All usual all Covid process are in place for this session. This Friday session is being referred to as the "Orange Squad".

Four of you have expressed a need to change/shower. There is still only one shower at present available in the disabled toilets so the three of you will need to rinse down quickly to give others the chance.

If anyone wishes to book a Tuesday slot, please let me know urgently. Originally, we had 32 people who expressed an interest. We had therefore requested and paid for two sessions based on feedback, but we will have to try and return the session back to Everyone Active if we do not get enough interest for next Tuesday. Early Morning Booking Link

- <https://forms.gle/Aj1uDMiwTBCgEpJy9>

Attached and below is the session list as well as the lane allocation, as always all of this can be found on our "Autumn Term Back to the Pool" webpage

We still need CLOs for these sessions, so please sign up to help, thanks to Giancarlo who has so far signed up to help - <https://forms.gle/R8qFrtr2do9q5c15A>

Any queries please let me know.

Thanks

Steve
