

BSC Purple Squad - Possibility of Differing Training Dates with Blue Squad

Now we are getting close to the deadline and rightly priority has been given to the Blue squad for selecting their choices, it is looking like there maybe slots in the allocated Blue Squad sessions for those swimmers who are not away schooling or at Uni.

Please note, what was in place historically pre Covid has had to be put to one side at the present moment in time as we have limited sessions/slots. I appreciate there were verbal agreements with Geoff about where people trained and who with, because of Covid these have had to be put to one side and we are trying to accommodate getting everyone one session, somewhere, somehow.

However, as outlined in an earlier email, we advised that we would look to adapt as and where possible but again based on priorities.

Currently looking at the Blue schedule, there are potentially some spaces.

To that end, those who are likely to swim during term time (i.e. those not away at school or Uni), can you please log your preferences also in the Blue Squad booking form, link below.

We will advise all squad schedules early next week.

Thanks for your continued support and patience, this is by no means an easy task.

Steve
