

Please Read - Important Changes and Clarification to Our Processes

As you will appreciate, at present nothing stays still. Yesterday was our first return session at Knox Johnston as well as us having our first session at Abbot's Hill School. Overall things went well, we just need to finesse a few things.

If anyone has any feedback, please let me know.

Every Location

- 1) It is apparent that a number of people have not read the revised document and or watched the video, please do both, they are very important for us to continue to use the pools.

Document -

https://uk.teamunify.com/SubTabGeneric.jsp?team=erhbsc&_stabid_=157231 item 18.

- 2) Reminder to all swimmers & CLOs, please as usual, no external shoes are to be worn on poolside, please take them off prior to going poolside or bring other clean shoes with you or wear shoe covers. Bringing dirt into the pool area makes cleaning difficult and can result in medical conditions on your swimmer's feet.
- 3) Swimmers, it is a requirement for a number of reasons that swim hats must be worn at all times, when at ABS please do not wear a dark hat (club silver or white etc).

Abbot's Hill School

- 4) Please do not try getting into the school before 18:00, you will be turned away.
- 5) If you need to get into the school after 19:00 and at weekends, please use the rear entrance, details in the document above.

Knox Johnston

- 6) We only have the number of sessions at Knox Johnston due to the scheduling that the centre team have managed to do. What this does mean is the turn around time is very short (5 mins), therefore (and it pains me to say this as everyone has done an excellent job so far), please turn up at the centre entrance only 5 minutes prior to our published session time i.e. a 19:00 to 20:30 session, arrive at the door no earlier than 18:55. At which point the CLO can register you and you can go straight down to the disabled entrance corridor, at our published session time i.e. 19:00. This also ensures you do not stand outside in the cold or wet or even snow.
- 7) Like ABS, you will not be allowed in the car park before 18:00.
- 8) We need to get out of the pool 5 mins prior to the end of the session, this ensures everyone is ready to leave at the end of the session and allow the centre team to clean.

If anyone has any queries please let me know.

Remember, all up to date details should be on our Autumn Term webpage, as depicted above.

Thanks

Steve
