

Thank to those who have already booked their choices for the Autumn School Term Training schedule, as one family put it “we are having to manage the unmanageable”.

We do appreciate that this situation is not ideal and we are trying to be as fair as possible and maximise the current pool time we have, at present. Please be sure to book your slot so if we are able to adapt the situation, ensuring your swimmer has a chance to be able to swim. At present, it is looking like we can accommodate these choices as they stand.

Deadline for selection for your booking is by midnight Wednesday 26th Aug, giving me a few days to try and pull this all together and issue all schedules (swimmers & coaches).

Remaining Holiday Training Schedule

Monday 31st Aug is a bank holiday and there will be **NO** swimming.

Tuesday 1st Sept will be the last day of the holiday schedule – Yellow & Blue Squads (CLO's still needed for this please)

Wednesday 2nd Sept will be the start of the Autumn Term Schedule.

Holiday Back to the Pool

I am visiting a school in Hemel this week with the possibility of looking at acquiring some additional lane time.

We still have no word from Berkhamsted School yet, no doubt as we get this sorted, we will get an answer 😊 .

Finally, thank you to all those people who have emailed us expressing your support, when you are up to your eyes and trying your best, it's very nice to receive your feedback and support.

Thank you

Steve
