

Squad Autumn Term Schedule

Firstly, thank you for your continue patience and support, a very large amount of effort has gone into this and it has not been easy due to the plethora constraints we currently have.

Reminder, there is no training Monday as it's a bank holiday.

Please see attached the initial schedule for the coming weeks, **commencing Wednesday 2nd September**, we are glad to say that everyone has got their first choice.

Please note this schedule may change over coming weeks, especially as we hope to get agreement for two sessions early morning at BLC, possibly lane time at Abbots Hill school in Hemel and when we hear what Berkhamsted school are going to do.

Initially we can only provide one session a week to all squads, but as above we hope to expand this in the future, this then may impact the allocation of those remaining locally in Purple Squad.

At this time, we have not had confirmation from Dacorum Council in respect to the earlier start on Sunday, so things may have to change for Sunday, we will advise either way.

All of the requirements/processes that have been in place during the holiday period, all still remain, so please make sure you and your swimmers know what they are and follow them.

We are very pleased that no one has been given any warning, so well done to everyone 👍

Now that we have the schedules, we need parents please to volunteer for the Covid Liaison (CLO) role so that we can run these sessions, bottom line is if we haven't got coverage, the session will be cancelled. Please sign up via the link below. Thank you very much for those who have already signed up, our Covid Leads will be managing this from next week.

CLO Volunteer - <https://forms.gle/98RtynxGpbHsKuPa6>

Reminder to all CLO's, when you have taken the register, please photo and email to the Covid Leads (instructions are in the CLO box at BLC). It is very important that we get these recorded asap.

All information is also on our Autumn Term Back to the Pool webpage, please look there first before asking questions 😊
