RELAY SESSIONS

In response to the immense popularity of the Relay session in 2018 we are restructuring that session for 2019 as follows:

- Once entries are confirmed and we know how many teams we have entered we will allocate tickets to clubs according to the total number of teams entered.
- These tickets will be handed over to the clubs on the first Saturday of County Championships 2019 and it will then be the responsibility of the clubs to decide how they distribute them to their swimmers parents.
- If a club does not use all of it's allocation they should be returned to the county on the second Saturday of County Championships 2019 and they will be reallocated to other clubs.
- Parents MUST produce the ticket to gain access to the gallery for the relevant Relay sub-session.
- The Relay session will be split into 3 sub-sessions – Under 14's, Junior Championships, Championships (to include Exhibition Mixed relays).
- Between each of these sessions the gallery will be cleared via the Emergency Exit to the left of the gallery.
- The gallery must be cleared before the next wave of spectators will be allowed in.
- There will be no entry to the gallery or poolside without a valid ticket.

We feel this is the fairest way to ensure everyone has an equal chance to watch at least some of the relay competition.
