

## **CLUB POLICY STATEMENT Wellbeing & Protection: Child & Young People**

We, the Club, believe that Good Practice at **Garioch Amateur Swimming Club** is as follows;

1. The safeguarding of children is everyone's responsibility, particularly when it comes to protecting children from abuse. Everyone in swimming - administrator, Club official, coach, parent, friend, children themselves, everyone - can help. Children and young people have a lot to gain from swimming. Their natural sense of fun and spontaneity can blossom in positive sporting environments. Swimming provides an excellent environment for children to learn new skills, become more confident and maximise their own unique potential. The Club will place the needs of the child first and winning and competition second.

2. The underlying principles with respect to Wellbeing & Child Protection are that:

- The child's well-being is the first consideration
- All children, regardless of age, any disability they have, gender, racial origin, religious belief and sexual identity have a right to be protected from abuse
- Children and young people must be treated with integrity and respect
- Children and young peoples' programmes and competitions will be relevant to the ages and stages of development

3. We are committed to following the current Scottish Swimming's Wellbeing & Protection: Child & Young People policy and guidelines. All our volunteers / staff are members of Scottish Swimming.

4. The Club:

- Aims to create an enjoyable environment, where participants have the right to be safe, secure and free from threat
- Acknowledges that everyone and particularly adults at risk have the right to be treated with respect and for their concerns to be listened to and acted upon
- Is committed to ensuring that all helpers, whatever their role, completes SASA membership registration and sign a Code of Conduct
