

## **Tallaght Swimming Pool Operating Procedures for visitors:**

- Use separate entrance through Assembly Hall.
- Parent on Duty/Covid19 Officer checks Screening Form has been submitted at entrance.
- Sanitise hands on entry with disinfectant provided.
- Remain 2m apart in sports Hall
- Proceed in single file to allocated Changing room.
- Implement spacing measures in changing rooms. Use allocated individual changing place. Use wipe and disinfectant provided to clean seat prior to use.
- Follow one-way entry and exit of changing areas.
- Follow clear prominent signage of circulation system.
- Restrict numbers in changing rooms (Max No. 14 in male. 12 in female)
- Follow clearly marked one-way clockwise traffic system on pool bank and proceed to "Home Point" as directed by Coach.
- Proceed to assigned lane. Follow Swim Ireland protocols for numbers of swimmers in lanes, including "Home Point" and swim direction to minimise time in close proximity.
- Eliminate the use of equipment and practices that encourage air sharing and interaction.
- Follow a one at a time rule for toilet use.
- Coach to maintain 2m distance during training.
- No assistance to be given with swim hats etc.
- Follow a reverse order of the entry to pool and maintain a clockwise exit to changing rooms, Checking first to confirm that they are not occupied.
- Showers will not be available at this pool for the duration of the pandemic.
- Swimmers to dress quickly and leave the changing rooms without any congregating therein. Use wipe and disinfectant provided to clean seat after use.
- Swimmers to exit the building through the designated and clearly marked separate back corridor exit (clearly marked as exit only).
