

UCD Swimming Pool Operating Procedures for visitors:

- Use revolving door entrance beside Pharmacy.
- Parent on Duty/Covid19 Officer checks Screening Form has been submitted at entrance and provides attendance list to management.
- Coaches to sign in and use changing rooms entrance to pool hall.
- Sanitise hands on entry with disinfectant provided (automatic temperature check also in operation).
- Follow circulation system in operation. Proceed along arrows (stay left) to Pool entrance.
- Implement spacing measures in changing rooms. Use allocated individual changing booths in changing village (every 2nd). Use wipe and disinfectant provided (one sanitizer at the top of every aisle) to clean seat and locker prior to use.
- Follow one-way entry and exit of changing areas to pool (stay left and shower on the way in).
- Follow clearly marked one-way clockwise traffic system on pool bank and proceed to "Home Point" as directed by Coach. Lane widths have been doubled up to 5m wide. GSC will have use of lanes 1 and 2. Swimming to proceed clockwise within lane.
- Follow Swim Ireland protocols for numbers of swimmers in lanes, including "Home Point" and swim direction to minimise time in close proximity.
- Eliminate the use of equipment and practices that encourage air sharing and interaction.
- Follow a one at a time rule for toilet use.
- Coach to maintain 2m distance during training.
- No assistance to be given with swim hats etc.
- To exit, follow a reverse order of the entry to pool and maintain a clockwise exit to changing Rooms.
- Showers are available at every second cubicle and should be used with no delaying.
- Swimmers to dress quickly and leave the changing rooms without any congregating therein. Use wipe and disinfectant provided to clean seat after use.
- Swimmers to exit the building following the one-way (stay left) circulation system in place.
