The team started amazingly by dominating most of the medley relay swims!

This set the tone for the rest of the afternoon with the swimmers continually racing well and gaining points for the team.

A number of our younger girls had to swim up an age category but this did not seem to faze them as they continued to push hard, race well and gave the other teams some great competition.

Well done girls!

As the afternoon progressed and points continued to be won, it was clear that Inverclyde were steaming ahead and at each point count we were in the lead!

The enthusiasm and support from the swimmers was outstanding.

The swimmers all gave an amazing performance winning lots of races.

We managed to dominate the afternoon and took 1<sup>st</sup> place with a fabulous 183 point, 35 points clear of 2<sup>nd</sup> place!

### Highlight of the Day

The highlight of the day was the final race. The boy's Squadron Relay Teams.

The boys not only won their race comfortably but the reserve team also came in second place.

This giving Inverclyde a 1, 2 finish.

It is always amazing to win the last race and go out on a high!

### Quote from the coaches.

Although we won on the day and had some amazing swims, when comparing the results with round 1 we had a few races with slower times.

We need to make sure swimmers are training hard and attending as many sessions as possible.

We have some strong competition in round 3 so it's vital we keep up the hard work.

Round 3 we take on last years winners Ren96, West Dunbartonshire and Helensburgh.

### Final note

We can't forget to say a huge thanks to the parents and supporters. You all created a great atmosphere which spurred the swimmers to success.

Round 3 is our home round so let's make it the best yet!

Swimmers keep up the hard work, let's have some fun and swim fast!!
