### Head Coach's Notes.

This is a competitive squad.

It is not intended to promote or provide social/casual swimming.

Swimmers entering this squad must be committed to improving their fitness, technique and personal-best times with a specific target of achieving and surpassing the entry criteria for higher squads.

After a reasonable period of training, swimmers who;

1. Are not meeting the criteria for the squad,
2. And who in the opinion of the squad coach are unlikely to do so in the short term, will be spoken to by the squad coach and given a fixed period of time in which to try and improve. This may involve specific goals being set in order to achieve this. If after this set period of time a marked improvement has not been achieved, other options available to the swimmer will be discussed and further recommendations made.

It is important to note that all the above is at the discretion of the Head Coach and the rest of the coaching team.
