

ROYAL RUSSELL POOL

RETURN TO CLUB SWIMMING ARRANGEMENTS

Our guidance and operating procedures have been rolled out in line with advice and guidelines set by the UK government to keep both staff and members safe whilst at the facility.

There are some temporary changes in place at Royal Russell Pool to help keep our staff and swimmers safe when using the facility, please read through the below arrangements that we now require you to follow. Your co-operation and understanding is greatly appreciated.

KEY CHANGES:

- A one way flow system throughout the facility will be in place to assist with social distancing.
- All swimmers will need to park or be dropped off in the main car park, there is no vehicle access beyond the barrier.
- Where possible, please shower at home before attending your session.
- Changing rooms will be out of use, you will need to change on poolside.
- If you would like to use any swimming aids (e.g. floats/paddles), we kindly ask that you bring your own as we currently cannot lend equipment.

ARRIVING AT ROYAL RUSSELL POOL WE REQUIRE YOU TO:

- Arrive at the pool no more than 5 minutes before your session is due to begin. Doors will be locked 10 minutes after the session has started.
- Arrive 'pool ready', wearing your swimming attire underneath your outdoor clothing.
- Wear a mask or face covering at all times when inside the building until you are ready to swim
- Use blue overshoes provided on entry.
- Use the hand sanitiser provided upon entry and in other key areas of the facility.
- Ensure you keep a social distance from other swimmers and staff at all times.
- If you need to use the toilet facilities please do so before entering the pool.
- Follow the direction signage through the appropriate changing room and onto poolside, you will then need to make your way round to the far side of the pool

following the one way system where you can leave your belongings on a designated marker whilst you swim.

DEPARTURE:

- Please change promptly on poolside and leave the building via the one way route out of the building. Showers and changing rooms will not be available for use until further notice.
- Please be aware that staff will be cleaning poolside and key touch points ready for the next session to begin.
- We ask that you leave the building promptly and do not loiter on site.

We thank you in advance for your co-operation of the above procedures and hope you enjoy your return to swimming at Royal Russell Pool
