

Sutton and Cheam Swimming Club

(Affiliated to Swim England London Region)

Sutton and Cheam Summertime Splash 2022

Licence Number: 3LR220966

Saturday 9th and Sunday 10th July 2022

at Westcroft Leisure Centre, Westcroft Road, Carshalton, SM5 2TG

PROMOTER'S CONDITIONS

1. The competition will be held under Swim England laws, Swim England Technical Rules of Swimming and these promoter's conditions.
2. All Swimmers must be Swim England registered as "Club Compete" (Category 2).
3. The meet will be run in line with the Sutton & Cheam Swimming Club's Covid-19 Risk Assessment and Protocols.
4. In the event that Covid-19 is still restricting swimming activities, the event conditions may be revised in response to guidelines from the Pool Operator, Swim England and Government and Public Health England related to COVID-19 and sporting competitions. If the need arises, the event itself will be operated under an agreed COVID mitigation plan which all participants will be required to agree to as part of an opt in to the meet.
5. The Meet has been licensed to Level 3 by Swim England London Region. This will enable swimmers to achieve times suitable for entry into Regional and County Championships and other meets at level 1 or 2
6. All entries must meet the entry criteria as set out below - see "Upper & Lower Limit Times".
7. All entries must be short course (converted long course times are acceptable).
8. Time limits apply at the time entries are submitted, there is no requirement to withdraw a swimmer if he/she subsequently goes faster than the upper time limit. All qualifying times must have been achieved at a licensed meet (level 4 or above) and may be subject to checks on the Swim England rankings website.
9. Clubs must enter electronically by using Hy-Tek's Team Manager or Team Manager Lite Software which can be downloaded from Hy-Tek's website - <https://hytek.active.com/downloads.html>
10. All individual entry forms must be correct and completed in full. Please be aware that any swimmer's details entered incorrectly or incomplete on the Hy-Tek file could prevent their times being updated by rankings.
11. In the event that the meet is oversubscribed, entries will be accepted on a "first come first served" basis. The Promoter's decision on this is final. Please note, however, that some events and sessions may become fully subscribed sooner than others. Acceptance into all events applied for cannot therefore be guaranteed.
12. The closing date for entries is Saturday 2nd July 2022 at Midday, or when the meet is full.
13. The meet will be run as "age on the day" for swimmers aged 9 and over on 10th July 2022.
14. The Entry Fee is £7.00 per 50m, 100m and 200m event (this includes London Region's 20p levy per accepted entry). No refunds will be given unless entries are rejected by the Promoter.

15. Clubs will receive confirmation of entries by e-mail as soon as possible after the closing date (or once the meet is full), following receipt of electronic payment. Please ensure you check this for accuracy and notify any errors immediately.
16. Payment for entries should be made electronically by transfer to our bank account as follows:
Bank: Barclays
Acc Name: Sutton & Cheam Swimming Club
Acc No.: 13580598
Sort Code: 20-84-17
Ref: Summertime & name of club
Do not transfer funds until an entry is confirmed as accepted.
17. There will be no charge for coaches.
18. NB: If you do not have access to electronic payments please make contact and alternative arrangements can be agreed.
19. Improved entry times will not be accepted after submission of the Entry Form.
20. Time trials may be available to swimmers already accepted into the gala, at the Promoter's discretion and will be dependent upon space and time being available. Time trials will be charged at £8 per race. Competitors wishing to swim time trials should register their interest with the electronic timing team up on the balcony at the start (deep) end of the pool, no later than the start of each session prior to warm up. All time trials will be swum with "NT" against the swimmer's name. Time Trials will not be eligible for awards but the times recorded will be forwarded to Swim England Rankings.
21. All events will be swum as combined age groups and seeded slowest to fastest irrespective of age.
22. The pool is 25m long with 8 lanes, anti-wave lane ropes and Colorado electronic timing system in operation. The depth of water is 1 metre at the shallow end and 1.8 metres at the start / deep end.
23. The Automated Officiating Equipment (AOE) does not include a secondary strobe light.
24. In the interests of time, 'over the top' starts may be operated at the discretion of the Referee.
25. We will publish the results as soon as they are available, and Meet Mobile will be enabled during the meet. A full copy of the results will be sent to the clubs of all competing swimmers after the meet.
26. **Instead of sign-in, which does not relate well to social distancing, we will operate a sign-out process. Participating clubs will be responsible for notifying the promoter of any non-participants, prior to the start of the warm up.**
27. Spectator entry will be £3 per session or £5 per day. Programmes will be circulated electronically prior to the event and will also be available on Meet Mobile. **Programmes will NOT be available daily.**
28. The age groups are 9, 10, 11, 12, 13, 14, 15, 16 & over.
29. Medals will be awarded for first, second and third place in each age group in each event on a HDW basis. Pin badges will be awarded to fourth to eighth place on the same basis.
30. Awards can be collected from the awards table after the event results have been confirmed.
31. Events in all age groups are:
50m, 100m and 200m all four strokes
100m and 200m IM
32. **Officials** - All clubs submitting entries are requested to provide licensed officials or appropriately qualified judge level 1 candidates, to help cover sessions fully, and are asked to supply details of licensed officials. As a guide; clubs should aim to provide at least 1 qualified official per session for

every 50 entries (for example a club with 20 swimmers entering a total of 100 events should aim to provide 2 qualified officials for each session).

33. As this is a level 3 meet, we can also accept offers from qualified timekeepers working towards the J1 qualification. We will offer mentoring where possible for trainees of any level but this can only be offered when we have met the Swim England requirements for qualified officials.
34. Starts - Coaches and clubs must be responsible for ensuring that all of their swimmers are competent to perform a shallow racing dive to the standards of the Swim England competitive starts award. In the event of a false start, competitors should continue with a safe shallow racing dive and not fall into the water. Swimmers are permitted to start in the water but must advise the referee prior to the start of their heat. In the interests of time, 'over the top' starts may be operated at the discretion of the Referee.
35. Results will be on a heat declared basis. There will be no finals. All heats of each event will be spearheaded by Hy-Tek Meet Manager.
36. Results will be available via Meet Mobile during the gala.
37. Scoreboard - Times displayed are for information only and the final results will be at the referee's discretion.
38. By submitting and accepting entries to the meet consent is hereby given, as required by the Data Protection Act 2018, to the holding of personal information. The personal information supplied with your entry will be retained securely and will only be used for the legitimate purposes of running the event. This data will be shared by form of results with Swim England (Rankings) and the clubs who have entered the meet. A full copy of the results will be published on the website after the meet. Please be aware that links from our website may take you to external websites that are not covered by our policies. Please ensure that you review their privacy policies before any data is submitted. If any persons want to exercise their right to erasure or processing of their personal data they will need to make a written request to the promoter. We will only hold competition data for 12 months after which it will be destroyed and erased from our systems.
39. All participants and spectators must observe all safety precautions in operation at the pool and follow instructions of pool staff and S&C S.C. Management Team. Prior to leaving poolside, swimmers must dry off and put on appropriate clothing and footwear. No swimmers will be allowed into the spectator area or the main entrance foyer area unless they have complied with this requirement. Failure to comply with any condition may result in disqualification and forfeiture of any fee paid.
40. All visiting clubs must ensure that team managers/coaches and officials comply with the Swim England Child Protection Policy.
41. Everyone Active Sport & Leisure Management Ltd, requires individuals who intend using any photographic equipment (including mobile phones) to complete the provided register, situated at the reception desk on entry into the Leisure Centre. The Use of any camera or mobile phone with an image capturing facility is prohibited in the changing areas.
42. Mobile phones & Computer devices - Please switch to silent during the actual competition to avoid disrupting the starts.
43. For any matter not covered by these Conditions, the Promoter reserves the right to make any decisions to ensure the satisfactory running of the meet. By submitting an entry participants will be deemed to agree with such decisions. We also reserve the right to make any changes that may be considered necessary for the smooth running and discipline of the meet and do not accept any liability in the event it is necessary to cancel the meet due to circumstances beyond our control.
