

GREENWICH ROYALS SWIMMING CLUB

RETURN TO SWIM PROCEDURES (UPDATED 1 AUGUST)

CONTENTS

- Declarations
- Training Timetable
- Squad Representatives / COVID Liaisons / COVID Lead
- Pre-Session Procedures
- Training Sessions
- Venue Specific Requirements

DECLARATIONS

- All swimmers, coaches and volunteers **must** complete the COVID-19 Health and Risk Declaration. A link to the Declaration can be found on the home page of the Greenwich Royals Swimming Club website.
- The Declaration should be downloaded and completed with the additional details relating to the relevant question(s) and emailed to greenwichroyals@gmail.com.
- Individuals who have not completed the Declaration will not be permitted to return to training.
- The Declaration requires all swimmers, parents / guardians, coaches and volunteers to only attend training sessions if they are fit to do so (as set out in the Declaration) and to inform the Club immediately should they develop any symptoms (as set out in the Declaration)

TRAINING TIMETABLE

- On returning to the pool, the Club will not operate its 'normal' timetable. Rather, new timetables will be published and made available to all members before returning to the pool, via e-mail and the Club's website.
- Swimmers will only be able to train in their allotted sessions and in their allotted 'squad bubbles'. Swimmers turning up to sessions not allotted to them will be turned away.
- The timetables are likely to change as further lockdown measures are eased and more pool-time becomes available to the Club. Updates will be communicated via e-mail and the Club's website.

SQUAD REPRESENTATIVES / COVID LIAISONS / COVID LEAD

- The Club will appoint a COVID lead.

- All squads will be assigned a COVID liaison / lead representative, and deputy representatives
- Squad representatives, or a named deputy (hereafter – squad representative), will attend every squad training session.
- Squad representatives will keep a register of all swimmers, coaches and volunteers in attendance at each training session.
- Squad representatives should familiarise themselves with each venue's isolation area
- In the event that a swimmer is taken ill during a training session, the squad representative will escort the swimmer to the venue's designated isolation area and contact the swimmer's parent / guardian.

PRE-SESSION PROCEDURES

- Training Sessions will be by invitation only and organised into 'squad bubbles'.
- Pool time and space is limited. In the event that squad numbers exceed numbers permitted in the pool, training sessions will operate via a rota.
- The Club will maintain a register of swimmers permitted to any given training session.
- Coaches will provide swimmers and the squad representative with a list of the required kit ahead of training sessions.
- Swimmers' kit should be marked and clearly identifiable as their own before bringing to training sessions. Kit should be carried in a mesh kit bag that can be submersed for cleansing in the pool.
- Swimmers should regularly attend the sessions allocated to them. If a swimmer is unable to attend a session, all efforts must be made to inform the coach or squad representative with as much notice as is reasonable. Consistent failure to attend training without prior notification will result in a swimmer being removed from the squad register.

TRAINING SESSIONS

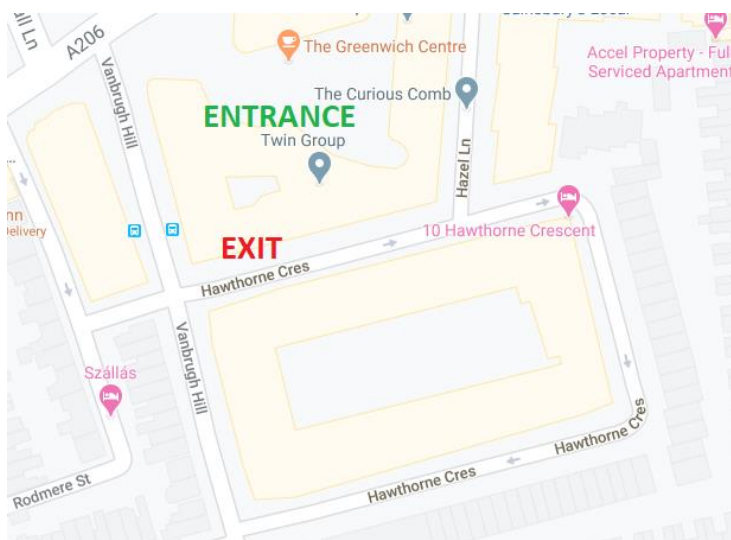

- Swimmers, coaches and volunteers arriving by public transport should adhere to Transport for London COVID-19 guidance.
- Swimmers should avoid sharing lifts to and from the venue with individuals outside of their household or support bubble. If swimmers do need to share a lift, then only do so with those in your squad bubble.
- Swimmers should only bring to each training session the required kit for that session, as directed by their coach or squad representative.
- Swimmers should not share their kit with others.
- Subject to a satisfactory completion of the COVID-19 Health and Risk Declaration, swimmers must bring any medication that may be required during a training session (for example, an asthma inhaler) in a waterproof container, which should be kept with the kit bag. Swimmers should not share asthma inhalers.
- Parents / guardians should not attend training sessions, unless in the capacity of a volunteer, or unless via prior arrangement with the Club.
- Swimmers should arrive at the venue in their swimming costume, with outer clothing suitable also to wear when leaving the venue and travelling home.

- Swimmers should not arrive at the venue entrance any more than 10 minutes prior to the timetabled session start time.
- Once entry is permitted, swimmers must immediately remove their outer clothing and be ready to start training promptly. Kit bags will be kept poolside in an area designated by their coach / squad representative.
- Swimmers arriving late to a session may be turned away; this will be at the discretion of the squad representative, following consultation with the coach and / or pool duty manager.
- Swimmers, coaches and volunteers will enter and exit the pool venue via the venue's prescribed Entry and Exit procedures (See Venues).
- Swimmers should register with the Squad Representative before entering the pool area; only swimmers whose name is on the register will be permitted to swim.
- Swimmers should use the handwashing stations set up poolside and around the venue, prior to and post each training session.
- Swimmers should endeavour to go to the toilet at home, and not use the facilities at the venue. Only in emergencies, will coaches permit swimmers to use the venue facilities. Swimmers must use the handwashing station before re-entering the pool.
- Swimmers should bring at least 2 pre-filled water bottles to each session and not use the drinks fountains at the venue.
- Coaches and the Squad Representative will remind swimmers of social distancing and lane protocols ahead of each session:
 - All lanes to swim in one direction as advised by the coach
 - Swimmers only to breathe to one side of the pool as advised by the coach
 - No more than 8 swimmers per 2m single lane, 4 started from each end. Swimmers to either
 - Stop short at the end of the pool at 1m intervals, or
 - Exit to poolside for rest intervals as directed by coach with social distancing observed.
 - Swimmers not to overtake mid pool; lane order will be organised by coach
 - No splashing whilst in pool
 - No side by side swimming/kicking
 - No physical contact of any kind whilst in pool or poolside
- Swimmers who consistently fail to adhere to the social distancing and lane protocols will be removed from the squad register
- Any swimmer taken ill during a training session will be taken to the venue's isolation area until a parent / guardian collects them
- Parents / guardians must arrive at the venue promptly at the end of each training session to collect swimmers. Any unplanned delay to collect swimmers should be notified to the squad representative as soon as possible. If swimmers are consistently collected late, such that a coach or volunteer is required to remain at the venue to supervise, the swimmer will be removed from the register.
- Swimmer should have vacated the venue within 10 minutes of the end of the session.

VENUES SPECIFIC REQUIREMENTS
