Run under Swim England laws, Swim England technical rules of swimming and promoter's conditions

MEET RULES AND INFORMATION

The competition will be held under Swim England laws and technical rules of swimming. This event is licensed at Level 3. Officials will be obtained from the National & Regional lists of qualified personnel.

FACILITIES

The meet will take place at the Medway Park, Mill Road, Gillingham, Kent on Saturday 18th June and Sunday 19th June 2022. The pool is a 6 lane, 25 metre facility fully equipped with electronic timing, display board and anti-wave ropes. Parking is now free in the large pay and display car park adjacent to the Leisure Centre, as long as you enter your vehicle details in to one of the consoles inside the centre. The café is currently closed.

ENTRIES

Swimmers must be, or have applied to be registered with Swim England. Swimmers may only enter events in their own age group. Ages are at midnight on Sunday 19th June 2022.

AGE GROUPS

The age groups are 9 years, 10 years, 11years, 12 years, 13years, 14 years and 15+ years.

EVENTS

The events are 50m, 100m, 200m of all 4 strokes plus 200m Individual Medley.

SUBMISSION OF ENTRIES

The entry fee is £5.50 for all events under 200m and £7.00 for 200m events. The entry fee includes the 20p levy per event, payable to the South East Region.

Entries must be no faster than the Upper Qualifying Time (UQT) published for each event. Time trials for swimmers whose times are faster than the published times may be permitted, and any entries received that are faster than the UQT will automatically be entered as Time Trials meaning that the swimmer will swim for time only and will not be eligible for an award.

If the event is oversubscribed, time trials entries followed by the slowest entrants to some events will be rejected to keep the meet within acceptable time limits. Entries must be submitted either electronically using Hy-Tek Meet Manager or be on the official entry form (scanned and emailed). Entries must include the entrant's Swim England registration number, date of birth, and entry times, together with all entry fees. Entry times submitted should be those achieved in a 25m pool. Converted long course times will be accepted providing they have been converted using Swim England Equivalent Performance Tables.

The closing date for entries is midnight on Sunday 22nd May 2022. No entries will be accepted after the closing date or during the meet, unless due to the promoter's error or omission. Proof of email may be

required. Entries will not be registered unless accompanied by the correct entry fee. Cheques are no longer accepted; all payments must be made by bank transfer. Completed entry forms should ideally be sent in one email per club. Details of accepted entries will be emailed to club's representatives. Refunds will be issued for rejected entries only by BACs to each club or separate individual entrant and sent to the contact named on the entry summary sheet as soon as possible after the closing date. No refunds will be given for withdrawals after the accepted entries have been published, withdrawals due to Covid will be considered.

COACHES PASSES

Coaches passes are available at a cost of Saturday £7:00/day and Sunday £15.00/day per person. This fee includes a daily programme, a full set of results sheets and lunch. One pass per ten swimmers will be issued to each club. For child protection reasons, these must all be pre-ordered at the time of submitting entries. Coach's passes will be collected on the day of each gala.

WITHDRAWALS

This will be a 'sign out' gala, coaches must inform the desk of any swimmer not competing before the start of the warm up for each session.

WARM UP

Coaches must supervise their swimmers at all times during the warm up. A warm up schedule will be available 5 days in advance of the gala. The start of each warm up session will be starting at the end of the pool.

RACE PROCEDURES

It is the responsibility of the competitors and coaches from participating clubs to ensure that all swimmers are competent to the standard of the Swim England Competitive Start Award. All events are heat declared winners. Heats will be swum with all age groups combined and swimmers seeded by entry times. The fastest heat in each event will be spear-headed. Starts will be at the deep end of the pool and over the top starts will be used for all events except backstroke, though this is at the referee's discretion. Swimmers must leave the pool using the steps at the side of the pool and must not climb over the electronic timing pads at the end of each lane.

A secondary strobe for deaf swimmers will be available. A secondary strobe is classed as, "A strobe light, in addition to that included in the AOE starting system". It must be part of the AOE system and should be able to be moved to a lane where a deaf swimmer (S15) is starting.

SWIM DOWN

A continuous swim down facility may be available in the diving pit, adjacent to the main competition pool. Coaches are responsible for supervising their swimmers when using this facility. If swimmers are not supervised then the permission to use the facility may be withdrawn by the sports centre.

RESULTS

Competitor's times will be computer processed using the Hy-Tek Meet Manager system. These results will then be displayed both on poolside and upstairs in the balcony area, we are also planning to use a

live results service which will be available through Meet Mobile. Following the meet, all results will be published on our website www.blscswim.club as soon as possible. Anyone wishing to have these emailed directly must leave their details at the information desk. Meet results will also be sent to Swim England to be included on their official rankings list.

AWARDS

Awards will be given to the top six placed swimmers in 9, 10 and 11 years age group in each individual event and for the top three placed swimmers in 12, 13, 14 and 15+ years age groups in each individual event. There will be no official presentations, so all swimmers must collect their medals from the awards desk.

OFFICIALS

It is appreciated if attending clubs could provide a licensed official to assist with the running of the event.

Each club entering six or more swimmers are requested to supply at least two officials who can act as Time Keeper and/or Judge. If we are unable to fulfil the required number of qualified officials the meet may be downgraded to a lower license level.
