In Loving Memory Joy Ngozi Atotileto

6 March 1969 – 20 December 2022

Gone Too Soon

Joy Ngozi Nnaji was born in 1969 in Nigeria where her mum worked as an auxiliary nurse and her dad a trader. She was the first born of six children to her parents. After the passing of her parents, Joy quickly adapted to the role of being a mother and father to her siblings and took on the responsibility of taking care of them. She started working as a secretary following time spent in commercial school where she was trained in administrative roles.

Joy has always been a hardworking and industrious woman who would seize on opportunities to generate extra income for the selfless goal of taking care of her siblings and the individuals her mother supported before she passed away. With her tenacity and hard work Joy was also able to sponsor herself for further studies to broaden her education, a pursuit she maintained even to recent years having successfully gained a degree 2018 and master's in law in 2019.

Joy was married to her fellow choir friend and beloved husband Mr Kehinde Atotileto. She is succeeded with four beautiful children whom she loved dearly and laboured tirelessly for.

When her children started swimming, Joy took them to training and competitions. She then got herself involved with the swimming club; firstly, as a club volunteer then trained and qualified as a technical official where she officiated at countless competitions. Joy was also the club secretary. In recognition of her dedication and hard work and a valued member, the Club hosts this open meet in her memory.

Thank you, Joy.
