Coaches may make bulk submission of dive sheets on behalf of their divers by using the program DiveSheets. Alternatively, individual divers may submit their own dive sheets online. Please agree with your coach which method you should use.

To submit your dive sheets on-line there are two options:

- Either visit: www.diverecorder.co.uk/onlinesheets and follow the instructions, or if you have an Android phone or tablet, you can get the **ADiveSheets app** from this page on the DiveRecorder website: www.diverecorder.co.uk/dive/android

As soon as you complete either on-line submission method you will see a success/failure message. If successful you will be sent an automatic email confirming receipt of your details and dives.

Electronic submissions must be made by no later than Midnight on Tuesday 17th March. You will be asked to sign hard copies of these sheets at the venue, available from the Recorders. If neither you nor your Coach are able to use the above electronic methods, you can submit a hard copy of your lists of dives to the Recorders.

The deadline for manual dive sheets is at the Technical Meeting

You can check your submitted dive sheets a few days before the event online at www.diverecorder.co.uk/live. If you experience problems and need assistance please contact Ann Barker (AnnBarker@aol.com).
