# DURHAM CITY

Amateur Swimming & Water Polo Club

## **Note - 2002**

The structure of Club Galas changed during 2001 and 2002 and there are now 105 different event/age group combinations. Prior to this only a very restricted set of events was used in just 4 age groups: 10 and Under, 12 and Under, 14 and Under and Open.

The 10 and Under age group swam 50yds events in all strokes and 100yds in the Individual Medley. The remaining age groups swam 100yds events in all strokes and 200yds in the Individual Medley. In addition, the 14 and Under age group swam a 200yds Freestyle and there was a 400 yds Open Freestyle.

The changes have resulted in many more events and age groups which have much more recent records than those which have been in use for many years. There are now 210 different club records whereas previously there were only 44.

As a consequence of this, many records get broken at Club Galas- particularly in the newer 50 and 200 yard events. In contrast, the older 100 yard events have some long established and very challenging records.

The oldest records are in the girls 100 yards Freestyle where Heidi Stockmarr holds records for both the 12 and Under and 13 and Under age groups with a time 01:00.09 set nearly 30 years ago in December 1977. Joanne Moore (daughter of Sedgefield 75 coach John Moore) also holds longstanding records set in 1979 and 1983.

## **Note – 2017**

With the inclusion of the 1500m Freestyle (Boys) and 800m Freestyle (Girls) time trials, these are now included on the club records database.

**From the Summer of 2008 onwards, the Club moved to a 25m pool and all records prior to this were converted from yards to metres using ASA Tables ([www.pullbuoy.co.uk](http://www.pullbuoy.co.uk)). Records broken since then are marked in yellow. In addition, as the 100yds IM cannot be converted, new records were set in the 100m IM.**

**Ages are all now as of 31 December in the year of competition.**
