# OXFORDSHIRE & NORTH BUCKINGHAMSHIRE ASA EXECUTIVE CTTEE 7<sup>th</sup> July 2020

# Chairman's Report

It is strange that we are able to visit fast food outlets and now pubs and restaurants but we are unable to individually swim in chlorinated swimming pools, or visit gyms or Leisure Centres. It is very strange that the health agenda, in the midst of a pandemic when one of the strongest messages has been that obesity increases considerably the Covid 19 incidences of death, has not been prioritised! Some cynics have suggested that if Boris played cricket and swam rather than played tennis (with its multiple vectors of disease!) and ran, things may be different.

Now that the Government has accepted that Club Cricket utilises less of a "vector of disease "than they previously thought (?), then possibly common sense is beginning to prevail and there will be some good news announced about pools in the coming week.

You are aware that all events have been cancelled up to the end of 2020 and it is unclear at the moment whether any Licences will be issued prior to January 2021. We are not clear at the moment where this leaves the 2021 Championships but Oliver is in contact with Licensing and we await their determinations.

SWIMMING SECRETARY REPORT – 7th July 2020

I was pleased with the manner and spirit in which the 2020 Oxfordshire and North Buckinghamshire County championships were held. The overwhelming sentiment of the feedback was positive.

This year the entry process was wholly paperless and the accepted entries released within a week of the closing date for entries, which was positively received by the clubs. We also changed the withdrawal process for the 200M finals, which was simplified and bought into line with 50/100M finals.

The championships made a circa £11k profit, more than was initially anticipated but less than the prior year.

I would once again like to extend my heartfelt thanks to the numerous volunteers that gave up their time to support the running of this year's championships, without whom the championships would not be possible. It is incredible that every year volunteers who don't have swimmers competing give up their time freely to support the Championships. However, one of the biggest threats to the continued success of the meet is the lack of volunteers.

Looking forward to next year's championships and after very constructive post championships feedback, there are several exciting changes planned once again for 2021, details of which can be found in the previous ONB Executive Meeting Minutes.

Preparations for the 2021 Oxfordshire and North Buckinghamshire County Championships have been in part put on hold due to the Covid-19 pandemic. Swim South East is not accepting licence applications until further notice, and it remains a possibility that there will be changes to the Swim England 2021 swimming calendar. I am in contact with Swim England SE Region in regards to this matter. It therefore goes that the release of the entry time criteria and meet pack will be delayed.

Finally, I would like to thank the ONB Executive Committee for their support over the past 12 months.

# O & NB Artistic (Synchronised) Swimming Report

#### July 2020

As with all indoor aquatic sports we are currently trying to prepare for the time when pools are allowed to reopen. We are working through the Swim England Guidance and waiting for updates.

The Artistic Swimming management group are holding a meeting on July 4<sup>th</sup> to decide the way forwards for the future events. I will be able to update everyone after the results have been published.

Witney workforce volunteers continue to take advantage of various on line courses, Team managers, Safeguarding, Time to Listen and Level 1 Artistic Swimming coaching course - Theory on line and practical when appropriate — we would like to thank the County for agreeing to support a funding application for us.

Unfortunately, we have been notified by the Club management that Henley Synchro Club has closed permanently. We have offered sympathies and thanks to all their staff and swimmers for all their input over the years. Several swimmers have contacted Witney Synchro with a view to continuing their synchro and I know that along with Reading Royals, we will aim to support any swimmers / coaches from Henley that wish to continue.

Hopefully by the AGM in September we will be able to meet up and news will be more positive all round.

# Officials' Report 7th July 2020

I hope everyone remains safe and well.

We have had a memo to ensure that **ALL** Swimming technical Officials are registered members of a Swim England club

- 1. Officials, are just like any member of your club and must be registered/fee paid annually as a CAT3.
- 2. Details of officials that move to another club, during the year, <u>must</u> be notified to Swim England and your County Officials Co-ordinator to ensure, insurance cover and licencing awareness.
- 3. Officials qualifications do not lapse, <u>but</u> their License (4 years) and membership (annually) does. Swim England/IoS/Region deal with licenses, but club <u>must</u> deal with membership.
- 4. The consequences <u>could</u> be disastrous for swimmers when; non-licenced/non-qualified/non-registered officials, operating at ANY meet.
  Such instances could invalidate the meet and thus "swimmers rankings times" registration and all could be withdrawn/deleted.

There has been correspondence with Region regarding training for Old Style J1s and Referees who have been adversely affected by the closure of pools.

Plan for Assessing Old Style J1 trainees:

## For those with Completed Workbooks

- 1. Course leaders identify EVERY old J1 trainee that has <u>fully</u> completed their workbook with ALL Competencies signed off.
- 2. Provided they have completed Contemporary Issues; and can provide a copy of their certificate/screenshot; plus their Course Leader has completed their own review and signed them off as "Ready for Assessment", then these candidates send their workbooks to me as County Co-ordinator.
- 3. I will then review each workbook and
  - 1. if I am satisfied with <u>all</u> entries, answers to questions, etc and the Referees that have signed off the Competencies;
    - pass and notify Swim England to register their assessment complete.
    - send workbook back with a Judge Level 1 certificate.
  - 2. if not satisfied with any aspect of the training, as mentioned above;
    - workbook is returned to trainee with a message to contact their Course Leader ASAP.
    - Course Leader is contacted and given the reasons for not giving "automatic pass" and to ask them to assist trainee to rectify these ASAP.

The following correspondence has been sent to all trainee Referees and their tutors.

## Referee Exams 2020:

May 2020 examination – has been cancelled and it is planned that this will now take place on the Saturday

7th November, should there be a further requirement to postpone this further, candidates will be informed as soon as it is practicable to do so.

November 2020 exam – It is currently planned that this will still take place on Saturday 7<sup>th</sup> November. Those due to sit the exam for the first time can still do so without the requirement to complete all elements of their poolside training log. However, for those successful in the November examination they must then complete their poolside training log to a satisfactory standard, before but they attempt their final practical assessment.

First time candidates can defer the exam to May 2021 (without penalty) if they feel they are not prepared enough to sit the exam in November.

Please look out for emails from your tutors in September/October with regards to this process.

## **Referee Training Applications 2021 (only)**

Due to the extended break from the pool, the requirement for the number of hours prior to applying has been removed for this intake, however it is expected that the candidate has completed these hours, alongside the practical training elements for the referee course, prior to sitting the exam in November 2021.

# **New Style J1s Online Training**

There has been a disappointing uptake of this course throughout the County with most current vouchers being issued to members of just 1 club. I would urge all clubs to continue to encourage parents to become involved, this online training is very simple and can be complete in 2-3 hours maximum.

There have been some requests County funding for people who just want to complete the online training. We have taken the decision that vouchers will only be issued to trainees who have the intention of completing both the theory and practical elements of the course and continue to support their club and the County as officials. If someone wants to continue with just the theory element this is possible but would have to be funded by the individual or club. We acknowledge that there will inevitably be those who having started or even completed the training decide not to continue to work as an official.

Officials' Coordinator

## Oxfordshire & North Buckinghamshire Meeting - July 2020

### COVID 19 - Update - return to the Swimming Pool

Swim England has published its comprehensive Return to Pools Guidance ahead of the Government easing the current lockdown measures. Five detailed documents have been created and are based on the latest scientific advice and Government guidelines. <a href="https://www.swimming.org/swimengland/pool-return-guidance-documents/">https://www.swimming.org/swimengland/pool-return-guidance-documents/</a>

The documents are being continuously updated. The changes that are made between each version can be found at the back of each document. We are still waiting for government to publish a date when swimming pools can open.

### **Swim Mark**

At the June SwimMark panel the following clubs maintained their accreditation; 4 Shires SC, Abingdon Vale SC, City of Oxford SC, Maxwell SC, Thame SC. Henley Synchronised SC lapsed on their accreditation, we believe that they will be closing the club.

The following clubs are due to be submitting evidence for the September SwimMark Panel; Banbury SC, Buckingham Swans, Kidlington and Gosford SC and Wantage White Horse SC. The deadline for evidence is the 15<sup>th</sup> August.

Wavepower 2020-2023 has now been published. The relevant SwimMark templates have been amended on the portal for use.

### **Stronger Affiliation**

Clubs are now able to upload their evidence onto the portal. As part of this process we are encouraging clubs to update their constitutions now and start to upload onto the Portal.

The following ONB clubs still need to update their constitutions we believe;

- Henley SC
- Oxford University WPC

The following table explains where every club is currently with Stronger Affiliation.

South East have not been able to get a response from	South East have had positive contact with	Clubs with access to portal	Clubs started to upload onto portal	Clubs completed Stronger Affiliation

Oxford University WPC	InSync - Milton Keynes Synchronised SC	Oxford University SC		
	Oxford Brookes University SC

Henley Synchronised Swimming club – Considering folding at the end of the year.

If you do have any contact info about Henley SC or Oxford University WPC please do let me know so we can help/support them going forward.

The next workshop is planned for the 3<sup>rd</sup> August 7pm, login information is available from Kristie.jarrett@southeastswimming.org
