### O&NB County Artistic (Synchronised ) Swimming Report

#### January 2021

Witney Synchro was able to return to water sessions at the Windrush Leisure Centre and Land sessions at the Langdale Hall in December.

The online national coaches conference was cancelled for December.

Witney have subsequently returned to all sessions taking place online for all age groups due to the latest lockdown and held a "Twixmus Workout" session along with our annual Club Christmas Quiz online.

In mid-December we had been informed that there were currently no planned dates yet for any National Championships to be held in 2021. Unfortunately, but understandably, this news, governing body restrictions for Artistic swimming and the latest lockdown has led to 7 of our most qualified swimmers opting to leave the sport.

This has left a large imbalance in the Club and with the difficulty of being able to welcome any new swimmers into the pool along with last year's increase of costs of pool hire, the future looks somewhat precarious.

We have discovered from our colleagues in the South West Region that GB Senior/Junior and Youth trials have been postponed from January, and that the GB Senior squad will continue as is for 2021 further dates will be published for the other trials when possible.

Witney Synchro is holding their own on-line land skills competition later in January to keep give the swimmers competition experience and feedback along with maintaining judging skills.

#### **Region Swimming Championships**

Swim England has asked Regions to hold Region Swimming Championships in the "normal window" in 2021. The Region Swimming Group met on 4th January and consulted with the Coaches Panel on 5th January. The outcome of these discussions was:

(1) It is extremely unlikely that the 2021 Swimming Championships will go ahead as planned. However, we will continue to develop plans, in case the situation changes and we are able to proceed.

(2) Once pools re-open, supporting a return to some form of competition is a priority to provide an incentive for swimmers. We anticipate that pools will re-open with similar restrictions that were in place before the start of the current lock-down. That means that only competition within training squads will be possible – Level X swimming.

(3) We are not keen to hold Region Championships with significant social distancing in place. We will only do so, if there are overwhelming reasons (such as the need to provide swimmers with a means to qualify for higher level competitions). Instead, we will encourage as many clubs as possible to organise meets to maximise the opportunities for all swimmers to return to competition.

As promised before Christmas, today we are publishing our provisional plans.

Planned dates/locations:

- April 17th (Location tbc): 15/Over reverse distance events
