

Oxon & N Bucks Counties ASA

President

Should I not be reading this it is because Lesley , my wife is about to or has just been released from hospital after shoulder replacement surgery.

So just a few words as I hand over the position of President of Oxford and North Buckinghamshire County Swimming to Andy.

It's been a real pleasure and a great but strange time, the first year was nice to get out and meet various clubs, do presentations and see the various disciplines, whilst being introduced to some of the power behind British Swimming. The second year all but stopped as all meetings and visits were by Zoom.

Thank you for giving me this opportunity.

Kind Regards
Kim
