The Oxfordshire and North Buckinghamshire (ONB) Amateur Swimming Association

Chair's Report May 2023

Before our AGM in July Helen Weeks, from Swim England. will join us for a follow up meeting from the County Governance Roadshows. During this meeting she will be discussing the next steps for us regarding the new Governance and how we are going to become compliant, as well as talking through the use of portal and the OMS system.

This is an important time for our association but as it looks at the moment there is a strong possibility that we, as a County Association, will not be able to continue. In order to stay compliant with our constitution we have to have a secretary and we will no longer have one after our AGM. This position is probably one of the most important positions within the executive and our current secretary is stepping down in July.

In preparation for writing this report I looked back at my report from last year and unfortunately my last paragraph is as applicable now as it was then:

On our Agenda for our next meeting will be the Role of Counties following a paper from Swim England and I think this is a good opportunity to open a discussion regarding the amount of engagement from clubs within the County. How can we increase engagement? Encourage new people to become involved and take on roles? What sort of future do we want for our County Swimming Association?

Cashflow

I thought that it would be useful for the Executive Meeting to see our cashflow forecasts. I will update it at each meeting. I used 2022-23 accounts to guide me in setting up the cashflow. It does not have increased costs in it, but these will be incorporated as 2023-24 figures become known. Funding applications already agreed have been included; new ones will be as agreed. I have assumed there will be a total of 3 Swim Development Camps in 2023-24. The agreed Inter Counties funding is included.

I had hoped to put £19,000 into the new Metro Bank 1-year fixed deposit account but this was not possible given the cashflow position in December 2023. I have decided that £16,000 will go into the 1-year fixed deposit account when we open it.

When making funding/spending decisions, I would ask the Executive to be aware of the December 2023 cash position.

Volunteer Expenses Policy

Person Responsible	ONB Treasurer
Date reviewed	April 2023
Next review date	April 2024

British Swimming (BS) has published guidelines for the payment of expenses to volunteers at National and International events. This document is based on the BS guidelines and recognises the local nature of events within the County. It provides guidance for those organising events on behalf of the County, but recognises that the payment of any allowance and expenses is subject to the discretion and authorisation of the person responsible for the finances of the activity.

In formulating the ONB Guidelines there is recognition that volunteers are drawn from clubs within the County. Whilst Oxfordshire and North Buckinghamshire is spread out, the maximum distance between clubs is in the order of 50 miles (approximately the distance between Wantage in the South West of the County and Milton Keynes in the North East). The distance between most clubs is less than this.

For the majority of County events, support is provided by parents of competitors. It would not normally be expected that such volunteers would claim for travel costs to the event. It is also envisaged that expenses would only be paid to volunteers whose duties are scheduled for the full daily duration of an event. For example, a full day or three sessions of the County Championship, rather than one session only.

All claims shall be made within 28 days of the expenditure/event using the ONB Expenses Claim Form. The County reserves the right to refuse to pay claims submitted after this period. Where people travel together in the same vehicle, only one claim for the travel can be made.

All individuals claiming travelling expenses from the County are responsible for declaring income on expenses to H M Customs & Revenue. ONB ASA will accept no responsibility for declaring payments on behalf of those making claims.

Oxfordshire & North Buckinghamshire Counties ASA Affiliated to ASA South East Region

The County Championships

Volunteers are defined as those people required by the County Championships Coordinator to be at the venues on the days of County Championships.

Travelling Expenses

The County encourages volunteers to use public transport where possible. There is a recognition that due to the geography of Oxfordshire and North Buckinghamshire and the timing of events, this is unlikely to be possible.

For those wishing to claim, the County will pay up to the approved ASA mileage rate for volunteers (currently 45p per mile) subject to a maximum claim of 100 miles for a daily return journey (currently £45). If volunteers wish to claim a lesser amount to cover fuel costs only, they are welcome to do so. Volunteers are also asked to car share where possible. Mileage claims to be based on AA Route Finder distances by the shortest route.

The County will not normally pay for taxi fares.

The County will not pay car parking charges if free parking is provided at the Championships. Where car parking is not provided free of charge then the County will reimburse to the value of the cheapest parking within a reasonable walking distance of the venue.

Daily Allowance

It is not envisaged that a daily allowance would be paid to those attending the County Championships and that the event organiser would provide lunch and/or tea for those volunteering over the course of a day and evening.

Overnight Accommodation

Given that the County Championships are for clubs within the county, it is reasonable for volunteers to make the return journey on the day of the event. The County will not pay for overnight accommodation for volunteers. However, should a volunteer wish to stay over between two consecutive days of an event, they may do so at their own expense. In such cases, they may claim travelling expenses for each of the complete days for which they are scheduled.

The County Development Camps

The County will pay an allowance to the Head Coach, Lead Team Manager, Lane Coaches, Skills Coaches and County Team Administrator (if they attend the face to face camp).

All remunerations will cover any expenses incurred by the individual including travel.

The following remunerations will be paid up to the following amounts per full day::

- Head Coach £150
- Lead Team Manager £100
- Lane Coach £50
- Skills Coach £50
- County Coordination Secretary (if they attend the face to face camp) £50.

Inter Counties

The County will pay up to the approved ASA mileage rate for volunteers (currently 45p per mile) for the Head Coach, Team Manager and county officials as required by the Event Organiser.

Oxfordshire & North Buckinghamshire Counties ASA Affiliated to ASA South East Region

It is expected that the Head Coach, Team Manager and county officials will use County paid for transport (e.g team bus) if it is available and not their personal transport.

If volunteers wish to claim a lesser amount to cover fuel costs only, they are welcome to do so. Volunteers are also asked to car share where possible. Mileage claims to be based on AA Route Finder distances by the shortest route.

The County will not pay car parking charges if free parking is provided at the venue. Where car parking is not provided free of charge then the County will reimburse the Head Coach, Team Manager and county officials to the value of the cheapest parking within a reasonable walking distance of the venue.

Other expenses

There may be occasions where other expenses may be claimed but these must be agreed <u>in advance</u> with the ONB lead for the activity and the ONB County Treasurer. Failure to agree to these expenses in advance will lead to the claim not being paid.

Swim Sec Report – May 2023

Thank you to those that attended the Zoom meeting on April 25th for the County Championships debrief. You will see my minutes, attached, for that meeting for the items discussed and being proposed to the executive committee.

In additional to the items discussed at the debrief I would like to make further proposals for the 2024 Championships:

Dates for the 2024 Championships:

Although these are not confirmed and will be subject to pool availability, format of championship and the debrief outcome.

Saturday 6th January 2024 - Leys Pool (Oxford) 1500m Freestyle & Boy Age Group Relays 10-1-12 & 13-14

Saturday 13th January 2024 - Leys Pool (Oxford) 800m Freestyle & Girls Age Group Relays 10-11-12 & 13-14

Saturday 20th January 2024 - Aqua Vale (Aylesbury) 400m events *

Saturday 3rd February/Sunday 4th February 2024 - Agua Vale (Aylesbury) Main Championships

Saturday 10th February/Sunday 11th February 2024 - Aqua Vale (Aylesbury) Main Championships

*The promoter is to consider the implementation of Mixed Open relays in the 2024 programme permitted. It is proposed that these could be added to the 400's sessions.

Qualifying Period: February 13, 2023, to December 03, 2023 (all events, including long distances)

Entries: The closing date for entries is December 06, 2023

<u>Relays:</u> Swimmer names to be submitted with entries. Swimmers can be removed/changed and/or change of order can be made up to the warmup of the session the relay is in. This is just like regionals entry process. There was a substantial amount of time saved and made for less stress over the weekends by having this information provided in advance by the majority of teams.

Qualification Times/Paperwork:

My plan is to release Qualifying times before the end of June. The licence cannot be applied for until September so promoters' conditions & other paperwork will be released once I have the licence back along with the entry file.

I will also be making amendments to the conditions in line with the Swim England Transgender and Non-binary Competition policy and any necessary changes will be investigated in advance of the Championships.

The ONB Counties ASA Championships 2023 debrief was held on April 25th. The coaches submitted, via Chantal and Hannah, items for discussion prior to the meeting. No other feedback was received before the meeting.

The list of areas discussed at the meeting are below along with the details and recommendations.

Qualifying times

Already acknowledged that Sharon will be looking into 2024's times to allow,
Hopefully, more swimmers. Requested need to go back to easier consideration times,
and then do rejections to fill the meet. If meet full then will get more officials/volunteers,
especially if younger age groups have more swimmers as more parents to newer
volunteers/officials.

Agreed that Sharon will look at 2024 consideration times on the basis of increasing the number of entries especially in the younger age groups (but realistic times to ensure swimmers should be at the championships).

Qualifying times for 800m/1500m FC

It was felt that the current basis cuts out the younger swimmers that should be included in the championships. It was agreed that we would like to review this area and offer consideration times for age groups but building in the requirement to ensure that the session is not going to run beyond 3 hours which would then impact on the officials.

 Possible reserve list after rejections. If we have timing allowable in the session that possible waiting list to replace swimmers

It was felt that with the work involved in this and also trying to decide who should be put back into an event would be very difficult ie which age group

 One coach asked about times not reflecting across age groups (harsher for younger age groups) when using national rankings.

It was felt the younger swimmers have a disadvantage to older swimmer when we are basing times against the national cut i.e a comparison between 11 and 16 year olds.

When you look at top 8 nationally for the base line that the spread is much bigger for the younger swimmer than the older swimmers, as the very top swimmers in the younger age group have developed early and are not a true representation of the swimmers in the country in the younger age groups in comparison to the older age groups as they have already developed.

There is a huge chunk of younger swimmers who have missed out as the impact of covid is showing and had a huge effect on the numbers that are swimming at a county level and many of these age groups are still at an academy level.

This will be taken onboard as part of the review of the consideration times.

Programme:

1500m and 800m split age groups and awards

It was proposed that medals would be issued to the age groups as per other events.

• Can we get rid of 200m finals please? Last heat has music and introductions.

It was felt that some swimmers withdraw from the event, some are not going faster as they are too tired, and others are going slower in the heat to save themselves for the final.

Discussion was around whether we had to have finals for 200's as per guidelines. Oliver looked up information and we do not need to have 200m final. We could have HDW. We would need to make presentations at the end of the session of which the 200m event has been swum. It was the view of the majority of coaches. Look to have music and introductions for the last heat of each 200m event so we still build up the excitement.

It was therefore proposed that we remove 200m finals.

• Mixed relays please! Keep other relays. Junior and senior 4x50m mixed FC and medley relays. Where to put in session? Maybe in 200m session?

It was felt that this should be introduced as it would allow for smaller clubs to participate in the relays as they should have more swimmers available. This would be Open/Junior events.

Agreed that we would go away and look at the best place to include this event in the programme.

Finals

Do the 10/11yr age group need finals? Especially when big step up to swim at County level.
 Very few in 10-11yrs finals. So HDW for all events. Then step up to finals next year when 12yrs. If leave out 10/11yrs could we put in a 17yrs old age group? Good for retention especially the boys where many finals are 20yrs plus. Also progressive for regional/national levels.

This is the covid age group, many of the younger swimmers only swam the morning and then hung around all day to take part on the finals, many were terrified and wondered if we make the 10/11-year-old HDW and introduce a 17-year-old age group. A lot of the 16-year-olds that are moving up to the open age group may not get into Counties next year due to swimming against much older swimmers and keep more swimmers in the pool rather than being demoralised.

It was felt that this was an option to consider retaining 17-year-olds plus. There were mixed feelings whether we should remove the 10/11 years old and there are swimmers that love it. It was a long day, but some swimmers loved to come out to the music and being introduced in the 10/11-year-old age group.

Oliver researched during the meeting and found that the age groups are set by Swim England and we would be unable to currently include a 17 year old age group and we would need to continue with 10/11 year old finals.

• If have to do combined finals again next year of age groups (hopefully not) then can announce the different age group results please

Sharon apologised for the announcer not distinguishing between the different age groups in the combined finals although Karen confirmed the announcer was advised a couple of times. Sharon will ensure that this does not happen next time. It was felt that if we were lower on numbers that the combined finals work well.

Warmups

- Propose not having club volunteers as warm up Marshal. Instead Clubs to be responsible for own swimmers like at open meets/regionals etc. However, have a rota that each club to take in turns to have the lead coach for that warmup to make sure BK ledges are in and the warmup is safe etc. Chantal happy to do a coach rota. Will ease on the pressure of clubs to get more volunteers. Also discussed sprint and pace lanes set up. Chantal happy to work with Sharon on looking at each sessions plans that are released. Also, to release to clubs in advance. Chantal happy to help with all of this.
- Possible that lead coach does the announcing during warm up of changing overs/sprint lanes etc. If feel that is needed to let the announcer rest???

It was felt that some warmup Marshalls are not aware of what they really need to do. The coaches would allocate a coach to oversee a particular session and the coaching team would lead the warmups. Chantal was happy to do the warmup schedule including pace/speed lanes. The coaches were all happy with this.

Coaches would lead the actual warm up sessions but need an announcer to read out safety briefing /withdrawals etc

There may be a requirement for warm up marshal for the turn end of the pool.

Swim Down

• Can there be swim downs between sessions please? Again, coaches will monitor swimmers. Chantal happy to do a rota if Sharon feels that is needed to make sure someone is in charge of. Add into promotor conditions if is a yes.

We are paying for lifeguards, so could we have a swim down. Coaches would monitor swim down. There is a concern on numbers in pool as this has to be managed. It is more pointed to the older swimmers. The management side of this is a concern especially when people would need to take breaks. Is there a need for a swim down for 50/100m. New swimmers arriving, entering the pool as they feel they are late. There would need to be clear rules and guideline if we did this. We need to investigate this a lot further as it would need to be treated as a warmup. Emma suggested a 15 min time limit. This will be considered further.

Presentations

• Can we have an area off poolside for age group medal collections so can have a more official area to do photos etc for parents/coaches. Like at nationals.

This is a great idea to encourage swimmers to have a photo taken. We have the county team banner that could be used as the backdrop. The medals table could certainly be moved to the Spin room at Aqua Vale (where admission is) and then the banner used as the backdrop. Chantal will forward Sharon a photo of the banner. Look into a lovely parent to make a 1,2 & 3 or set off steps as well. Would need to mirror this at Leys Pools. Concerns re moving medal table off poolside as could make getting volunteers harder. Volunteers would be able to still see their swimmers just like the Marshals do.

Junior/senior championship presentations:
 In finals session can we do presentations as we race so more people see/support? Plus gives more rest to the swimmers between finals. Can do a timeline table for coaches so know when swimmers need to be ready for presentations (after which final is which presentation)

It would be very difficult to keep moving the officials out of the way, bring boxes in & would make the session longer. There are a number of officials that are there with no swimmer so it would extend their day and the faff of moving people around. Making sure swimmers are in marshalling and they could miss this. It was felt that this could not work at the current time.

Point club system

 Please can look at the system for club points. Do need separate junior under 13yrs?

It was felt that we have a lovely trophy to use. Could we change to 14 & under? It is currently set in the middle of the age groups ie -10/11, 12. 13 and 14, 15, 16 & 17 & over, We could consider changing if we introduce the 17 year old age group.

Other random things not coaching related:

• Asking clubs for volunteers for more than swimmers in that session.

Sharon confirmed that she sends through the number of swimmers from each club in each session to the volunteer coordinator. We believe that a mistake was made i.e 1 swimmer

competing, and 2 volunteers requested. The only fair way to do this is to allocate the roles based on numbers swimming from each club in each session.

Concerns over other clubs not filling their roles and other clubs having to fill these roles. A suggestion was made to fine clubs that do not fulfil their volunteer allocations by the deadline set. Further discussion will take place regarding this.

Spectator space

Some parents didn't get a seat as the swimmers took up the stand. Sharon said that on one occasion the swimmers were too high up in the stand, so Sharon moved them. There was no point over the weekend when the stands were full.

- Thank you for the food!
- Swimmer hoodies from Swim path? They order themselves so not ordered through County.

Looking at county hoodies for 2024. Look at provision to have availability online for people to order direct. Swim path? We are happy to look into this.

Gender

Female (female at birth) & and open category – full implementation 1st September 2023

Chantal passed on a big Thank you to Sharon from the coaches as it was Sharon's first year promoting Counties and it all went fabulously well. Thank you to Karen and the officials and all the volunteers too.

Any other questions:

Karen reiterated her Thanks to all the volunteers, Paul was brilliant. Sharon, you did a great job!

Tighten up the day.

Would like a smaller gap for officials, so we discussed a reasonable break for the coaches and TM's. The gaps cost us money – longer gap/potentially higher charges. The coaches/TMs on the call felt that 30 mins from the end of a session to the start of warm up.

Thank you to Chantal and Hannah for arranging the meeting with the coaches and bringing the items to the debrief on everyone's behalf.

All items will be taken to the executive committee for further discussion and potential approval.

O&NB County Artistic Swimming Report

May 2023

Towards the end of March, the National Age Group Championships took place in Gloucester -the competing athletes were using the new FINA figures for the first time at a national event.

Congratulations go to Freya Parker who represented OWASC in the 13–15-years age group – coming a very creditable 39th out of 127 athletes.

The British Championships took place in Nottingham in April – there were no athletes from the County taking place due to the increase in qualifying standards this year.

Athletes and coaches are currently preparing for the Combo Cup being held in Sheffield in July.

Due to the extensive FINA changes it is extremely challenging for coaches to choreograph the new format of routines with lots of queries around content and penalties still to be ironed out.

The changes to judging at Swim England events is set for 2024 and judges are involved in new training, and some will take on new technical roles as the new phase of artistic swimming develops. Judges at national events in 2023 have been shadow judging using the new system to begin to get a taste for the new processes.

OWASC was successful in retaining their SwimMark status after the full health check this year.

Officials' Report May 2023

The new World Aquatics rules were introduced on 10th March and once we received the official training material ONB tutors held 9 training sessions over zoom to update officials and we have had almost 200 attendees. This CPD has to be taken by 31 August in order for officials to remain licensed. We are aware of a few people who have not yet attended and are looking at holding at least one further session.

We also sent out a survey regarding officials' uniform and the results were:

36.8% Stay as we are (white and white shoes)

44.3% Black but keep white shoes

18.9% Black with black shoes

This result means that 63.2% of officials who responded prefer to wear black trousers, I therefore propose that all clubs in ONB change there officials dress code to black trousers for their meets (including Counties) with either white or black shoes to minimise cost outlay.

A number of updates have been received, if officials have signed up to the Swim England Officials' newsletter they will have been received as they are issued but include a revision regarding periodwear that means it is no longer necessary for this to be reported to the referee before racing.

ONB Disabilities Report May 2023

A lot has been happening with para swimming competitions in the last 2 months.

March saw the Citi World Para Series incorporating the British International Meet take place in Sheffield. I took part as sole representation from ONB (as a swimmer) competing in 4 events, 100fc, 400fc, 100bc and 200IM. I am very pleased to report that I made the GB finals for the 100bc and 200IM whilst also swimming a new S8 400fc regional record time. Thank you to my coaches Tom and Bill for supporting me in getting up to Sheffield for this international event. I would also like to thank all the officials and organisers who made the event happen including one of our own officials Sandra Wrenn who was on the officials team for the whole of the Sheffield leg of the World series.

This month has seen the South East Regional Championships and, although we are awaiting the final positions of 2 events that contain age group para swimmers, I have already completed all my events. It was an extremely successful event for me. I competed in 50,100,400fc, 100br,100fly and 200IM achieving S8/SM8 South East Regional Record times in 100fc, 400fc, 100fly and 200IM. Again huge thanks to my coaches, everyone involved in putting on the event and the incorporation of the para swimmers which seemed to work well, although I would suggest that it may be worth reviewing whether swimming 1 age group para swimmer on their own is really the best option to allow them to achieve their potential.

It would be really nice to have a few more para swimmers taking part in competitions within ONB. If you have any swimmers who may fit the para swimming profile then please make sure that they attend a regional training session to have their skills signed off to allow them to progress onto the classification waiting list. The details for the latest para training session are as follows:

Sunday 9th July 9am - 1.15pm ACS International School, Cobham Cost per athlete £10

https://www.southeastswimming.org/south-east-para-swimming-regional-camp/

The regional training is aimed at all Para swimmers, including those with a hearing impairment (S15), who either have, or are looking to obtain, a classification and are not on the World Class Programme. They must be 9yrs or older to attend.

Coaches are invited to attend to gain a better understanding of how they can support their Para athletes in the club environment.

Looking forward from regional training I will be competing at the end of season National Championships, as things stand I should (fingers crossed) be attending British Summer Champs and will feedback later in the year as to how I get on.

National Para-Swimming Engagement Day (on-line via Zoom) Tuesday 30th May 2023

<u>Athletes:</u> 6pm – 7:45pm (Coaches are welcome to observe) Coaches 7pm – 8pm

Join the England Para - Swimming Talent Team for FREE, workshops and activities, designed to help athletes, coaches and parents / guardians gain valuable information about the development of Para-athletes.

Who is this day for?

- Athletes who attend Regional Para-Swimming Training in their region
- All classified athletes and those on the classification waiting list who would like to develop their swimming further
- Category 2 members who have an eligible Para-Swimming impairment or hearing impairment and would like to learn more about Para-Swimming, or development / competitive opportunities
- Coaches who would like to gain a greater knowledge of Para-Swimming and the support available to them and to athletes.
- *This day is not open to athletes on the Swim England or British Para-Swimming Talent Programme*.
- **All athletes under the age of 16 should be accompanied by an adult throughout.

Meet the team delivering on the day:

Carl Cooper – England Para-Swimming Talent Coach

• Carl leads on athlete development and can give athletes hints and tips in order to develop their training and performance as well as an insight into the common traits of a successful Para-Swimmer.

Jack Chambers – England Para-Swimming Talent Coach

• Jack leads on coach development and can give coaches hints and tips to developing their programme, whilst exploring some adaptations used with Para-Swimmers.

County Coach Report on the Pathway Camp at Stantonbury on Thursday 6th April 23.

I would like to start with my thank you to Paul and Chantal with help organising 23 pathway, and thank you for Bee and Susie for support on the day.

This pathway had a few challenges:

- 1. Selection of swimmers, this is due to not having enough 11 year-olds in our county this is because of covid. Chantal and I did go round to clubs to see if had has swimmers would be able with a day camp and we did get a few more but could tell on the day difference in ability.
- 2. Finding pool time this was the biggest challenge as centres was not coming back to Paul. This is why we when with Stantonbury and next pathway camp in September will be here.

The purpose of the camp was to provide additional skills and personal development opportunities to a group of 11-year-olds. The camp also enables the swimmers to experience a different sessions and coaches to their normal training activities.

I thought the session was very successful and swimmers were very interactive. They seemed to enjoy it. Looking forward next camp in September

The structure of the camp was as follows:

9:45-10AM	Introductions, briefing on the camp timetable and content.
	Games to break the ice
10:15-12:15AM	Pre pool/ First pool session. Session was undertaken in the
	selected groups and covered work on Freestyle skills,
	focussing on body position and arm action. This was
	followed by streamlining and transitioning into breakout
	phase. Chantal did strokes analysis what we have to
	complete on Wwim England.
12:15-12:45PM	Post pool
12:45-1:15PM	Lunch
1:15-1:45PM	Land training session. The session focused on arm app.
	This is recommended by Swim England for this age group
	and core exercises.
1:45-3:45PM	Pre pool / Second pool session. Session content was on
	Backstroke body position and Backstroke turns. Ended the
	session with some fun relays.
3:45- 4:30PM	Post pool Followed by a de-brief with the swimmers asking
	them what they learnt and what was beneficial in pool and
	land training sessions. I asked them to identify what
	learnings they were going to take back to their home clubs
	training programme.

Funding Requests

May 2023

Bourne End Swimming Club (received 30 April 2023)

"Upgrade Meet Manager (\$269) and Team Manager (\$25) SportsTek software to let us run licensed meets again, particularly our club champs, not run since 2019. £234 using conversion rate 30/04/23.

Bourne End is entirely volunteer run including coaching. Over Covid, we lost key volunteers who ran club champs and used software/hardware. We lost knowledge and tools. We are coming back from that time, swimmer numbers up, more swimmers taking part in open galas, league events. Need to run club champs again as licensed meet to show that we are back, for swimmer development, for swimmers to get times for open meets.

Huge effort by committee members to build knowledge from scratch. Had laptops and printers donated. Need to upgrade software and get to grips with that.

Training fees almost all used to pay for pool time so very little reserve.

Hope for ONB "vote of confidence" in us in granting funding."

The Treasurer asked for more information on other sources of funding.

"We have explored a couple of other ways of funding these licence upgrades e.g contacting local Rotary Clubs and have asked and got, pre-loved laptops to run the software from our swimmers. We would welcome other ideas.

Any contribution to this cost from ONB would be really valuable to us monetarily as well as demonstrating support for our Club."

Helen Fisher and hopefully one other committee member representing the club will be present at the Executive Meeting to answer any questions.

Treasurer's note: From my records (November 2017 onwards), this club has not made any previous funding requests. The application does meet our criteria in that it is not a hardware request. It should be noted that in March 2018, Didcot and Barramundi Swimming Club had a funding application for Team Manager declined by the ONB Executive. The reason given in the meeting minutes was "ONB would not fund items which actually run the administrative role of a club as it is their responsibility ...".

ONB Meeting - May 2023

SwimMark and Club Affiliation

Congratulations to Aylesbury and District and Oxford and Witney Artistic for maintaining their SwimMark this quarter. The following clubs are due to renew their SwimMark, 4 Shires SC, Abingdon Vale SC, City of Oxford SC, Maxwell SC and Thame SC. Evidence should be submitted by the 16th June for review prior to the regional panel meeting. There are no clubs due to complete club affiliation this time.

Senior Coach qualification

Applications are now open for the swimming senior coach programme. The deadline is the 22nd May; https://www.swimming.org/ios/course-information/swim-england-senior-swimming-coach/

Regional Development programme 2023/2024

Swim England are currently reviewing the pathway development camps. Once we have further information we will be issuing our selection policy. However, we have booked a venue in readiness for the first camp to take place on Sunday 3rd September. We are now inviting coaches to apply to work on the camps https://www.southeastswimming.org/swimming/regional-pathway-programme/

Regional distance programme

Swim England have requested that regions deliver two camps to cover distance swimming for 13-16 year olds. The first will incorporate an open water day, followed by a pool camp. Selected athletes have been invited based on the distance rankings. ONB is represented by Lucia Lopez from CMK.

Regional Para Development Day

The next Regional Para Development Day will be held on Sunday 9th July at ACS, Cobham. Booking is now available on the website https://www.southeastswimming.org/south-east-para-swimming-regional-camp/
