Cashflow

Given the decision to not stay overnight for the Inter Counties in October 2023, the cashflow has been adjusted to reflect this. The 2023/24 budget has not been adjusted though.

	Current prediction	2023/24 budget
	January 2024	
Total expenditure	£40,885.38	£50,035.44
Total income	£49,137.62	£45,320.80
Overall	£8,252.24	-£4,714.64
surplus/deficit		

The cashflow and monitoring against budget is on the next page. Please note that the "Predicted to Mar 24" column includes Apr-Oct 23 which cannot be seen as the cashflow is a rolling 12 months since my last report in November 2023.

Treasurer's Report January 2024

Given the issues with Metro Bank, I have removed any interest assumed to be from Metro Bank for the moment from the cashflow as I am not sure when we will move to them. The 23/24 budget for income (£45,320.80) still includes the projected interest we expected from Metro Ban

SWIM SECRETARY REPORT - JAN 2024

I am writing this report after the first weekend of the 2024 County Championships.

Overall, the first weekend ran pretty smoothly. A big thank you to Chantal Clavaud who organised the warm-up schedules and all the coaches that are taking on the role of running the warm-ups at each Gala over the 2024 Championships. This worked really well on Saturday.

This year there is also the opportunity to purchase ONB County Championships 2024 Hoodies and T-Shirts. The Hoodies and T-Shirts are available to purchase online using the following link:

https://www.uniformcity.co.uk/school/Oxfordshire-North-Bucks-County-ASA

I would like to say a big thank you to each and every one of you that will be volunteering at the Championships. It is so appreciated and ensures the smooth running of all the Gala's over the weekends.

O&NB County Artistic Swimming Report

January 2024

Since the November report athletes and Coaches from OWASC have attended two figure competitions – results are listed below.

Coaches/Judges have attended the 2023 Conference where details were given on how the final aspects of the latest FINA changes will be undertaken in 2024. Seminars on possible training sessions that can be used to incorporate the new rules for athletes and coaches were given along with in depth sessions on the acrobatic labelling codes.

OWASC was able to hold its first Winter Showcase since 2019 and 27 athletes took part on the day. For many it was the first experience of swimming routines in front of an audience and of the art of "gelatining" hair.

Athletes are now preparing for grade days and looking forward to squad training for 2024 competitions.

Disability

ONB Disabilities Report Jan 2024

Since my last report Para swimmers have had the opportunity to compete in the SE Short Course Winter Nationals. ONB were represented by Gavina Semonella from Wantage in her first national competition. Gavina had an excellent meet, competing in 3 events, achieving PB's in all three. She was unlucky not to have the opportunity to experience the atmosphere of a final after achieving 6th position in the 100fly however by the rules of the competition, with only 10 competitors entered in the event it was heat declared winners. She was placed 11th in the 100bc making 1st reserve for the final and 13th in the 100fc. An excellent first outing on the national stage and I am looking forward to seeing what she can do this year.

The next competition for Para swimmers is Counties. It is really positive that we have more than 1 para swimmer taking part in this competition, please encourage any swimmers who may have eligible impairments to look into becoming classified. I am aware of 2 swimmers currently going through the process for classification within physical and intellectual routes so am really looking forward to having a strong para contingent within ONB in the near future.

Please remember for physical classification this will require your swimmer to go onto the S99 waiting list for classification. To do this a swimmer must have attended regional training to have their skills signed off. The most recent regional training took place on 6th January this year at ACS Cobham, I will send round the information about the next event when I get it.

For any swimmers looking for visual (S11-13) or intellectual (S14) classification please contact me directly and I will signpost you to the appropriate people.

As stated in my last report there will be a classification event taking place on the weekend of 10th/11th February 2024 at the Oxford Leys Pool. British Para Swimming have made contact with individuals directly to invite them to classification at this event, final timings will be being sent out shortly. As part of the physical classification process most swimmers are required to be seen in competition, so on both the Saturday and Sunday, from 5-6pm at Oxford Leys pool, there will be a time trial element to the classification. This is not a licensed event. If there are any timekeepers who are not involved with the county championships and would like the opportunity to practise their timekeeping/be involved with para swimmers and are available on either day please contact me on

<u>amandareadhead@maxwellswimclub.com</u> and I will put them in touch with Martin for further information.

ONB Masters Secretary Report January 2024

National Masters Intercounty Championships

Thirty-one swimmers from across the county travelled to London to represent ONB in the South East gala of the National Masters Intercounties Championships at the London Aquatic Centre on the 12 November.

Despite scoring nearly 40 more points in the gala than in 2022, ONB finished seventh out of the seven SER counties competing in London. However the South East gala is by far the most competitive of the five re- gional galas which take place around the country on the same afternoon.

This was evidenced in the final national results as ONB finished in a very creditable 13th place overall out of 29 counties, an improvement of seven places on 2022's result. This resulted in ONB being the most improved county from 2022 to 2023.

I would like to thank all the swimmers for travelling down to London, competing fiercely and supporting each other so enthusiastically; it was commented upon how we were the most vocal team on poolside! Many thanks also to Alun Evans for giving up his time to officiate and the Committee for providing hats and t-shirts.

All the swimmers put in a real shift with some swimming up to eight events, but I particularly want to men-tion our sole representatives in the 65+ age group; David Hall from Witney and Di Groat from Aylesbury. Both David and Di swam all four individual events in the 65+ age group as well as legs in the mixed 260+ freestyle and medley relays and the 12x25 cannon. David also swam the 75+ 50 free and Di would have swum the female 75+ event had she not been a year too young!

Seven county Masters records were set during the course of the afternoon in London:
