

## LEA-MANOR POOLSIDE SYSTEM

- 1: Entry will be through the changing room door connecting poolside to the male and female changing rooms
- 2: Green highlights entry route (left and around) and red highlights exit route.
- 3: Lane number signs and swimmer number signs will be on the walls to signify where “your Space” is.
- 4: You will then proceed to get ready: Change | organise kit | wash kit | sit back in space | listen to coach instruction
- 5: All equipment will be placed along the side of your lane
- 6: Both lanes will swim clockwise
- 7: After the session, you will need to dry off and dress and clean your equipment in the pool water
- 8: A covid Officer will lead you off poolside, through the Fire Exit
- 9: No parents will be allowed inside the facility, with the gallery being closed

## LEA-MANOR ENTRY & EXIT PROCEDURE

### HEALTH CHECK STATION

#### Step 1:

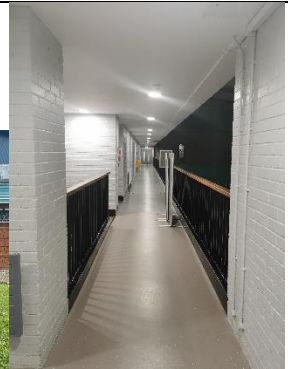

We will be entering the building via the rear fire exit door on the right  
 You will que socially distanced down the path and steps (be careful if you are on the steps 😊)  
 When you get to the table you will need to right your name and bubble number, we will check your temperature with the monitor, and you will use the hand sanitiser on the table before entering

### ENTERING THE BUILDING

#### Step 1:

As said, we will be entering the building via the rear fire exit door on the right  
 You will need to walk straight down the corridor through the double doors, which will be open, until you reach the female and male changing rooms  
 We will not be using the mixed changing village

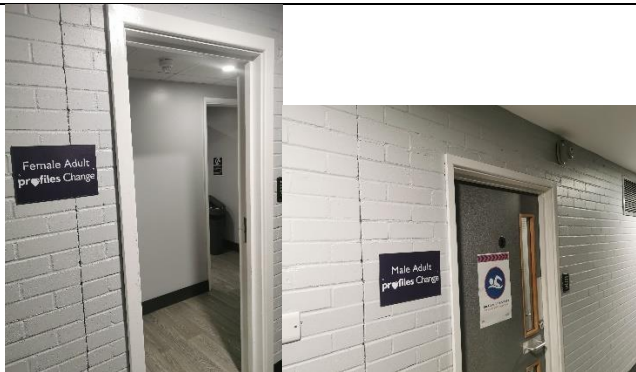

### POOLSIDE ENTRY & EXIT

#### Step 1:

#### CHANGING ROOM ENTRY

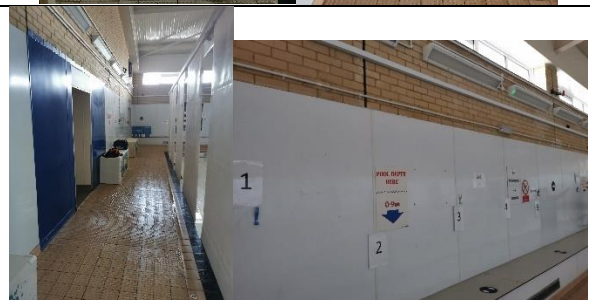

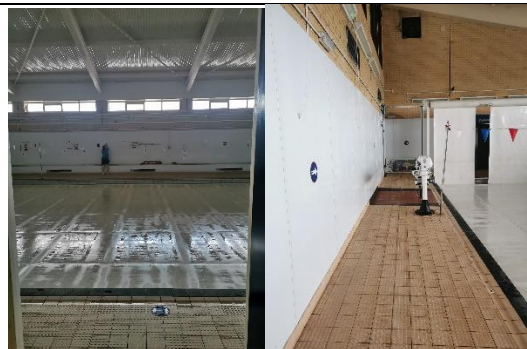

Girls will walk through the female change and boys through the male change, doors will be opened

#### Step 2:

#### ENTERING POOLSIDE & FINDING YOUR NUMBER

When you get through the changing rooms, you will need to exit them and turn left  
 You will walk around poolside next to the walk avoiding the pool edge  
 On the wall you will see your lane number 1 or 2 and your swimmer number 1-10. This is where you will put your bag and get ready for your session  
 LANE 1 will be the lane closest to the changing rooms  
 LANE 2 will be the lane closest to the benches

## LEA-MANOR ENTRY & EXIT PROCEDURE

Step 3:  
EXITING POOLSIDE  
Once your session is over, you will dry off on poolside  
and pack your bags quickly  
We will then exit through the fire exit that leads  
straight of poolside

Label all your equipment  
You will need to wash your equipment in the water  
before and after your session  
We will put cones on the side, so you know where to  
put your equipment  
Any left behind will be discarded  
No mesh bags
