

## CSCSC Long Course Records

2008 – Present

Age as of 31<sup>st</sup> December

### Claiming a Club Record

It is the responsibility of the swimmer to claim a record; the club will not scrutinise results from competitions to see whether any records have been broken. The rules for claiming club records are set out on the [Claim Form](#). To claim a record, please complete the form with details of your claim. Claims will be verified before being accepted. For additional queries, please see the Frequently Asked Questions at the end of this document.

## CSCSC Long Course Records – Age 9

Boys	Time	Stroke	Time	Girls

## Camden Swiss Cottage Swimming Club Records FAQs

**Question:** Why do the club records start at 2008?

**Answer:** The original club record database was neglected and eventually lost. A new records database was manually created using results from the British Swimming database. Each record was then scrutinised against specific competition results to ensure all CSCSC specifications were strictly met. 2008 was used as a starting point because any records before that could not be verified consistently.

**Question:** Does a record count if the swimmer is a member of the Camden Swiss Cottage Swimming Club but achieves the record time while competing for another team (E.G. County/Regional teams or school teams)?

**Answer:** No. A record only counts if the swimmer achieved the record while swimming specifically on behalf of Camden Swiss Cottage Swimming Club.

**Question:** How often are records updated?

**Answer:** Individual records are updated sporadically through the year as individual records are claimed. A thorough review of the club records is undertaken at the end of each calendar year to account for unclaimed records.

**Question:** Can a record be claimed with “age as of day” in lieu of “age as of December 31<sup>st</sup>”?

**Answer:** No. The current database was created specifically to follow the British Swimming standard age group specifications which is “age as of December 31<sup>st</sup>”. Changing these criteria would make the current club record database completely invalid.

**Question:** Is there any formal acknowledgment of achieving a club record?

**Answer:** Yes, the swimmer’s coach will hand out a CSCSC Record Certificate during a regularly scheduled practice acknowledging the claimed record(s).
