Although this membership is not with Swim England, you and your swimmer must adhere to the policies governed by Swim England due to the Club's affiliation and SwimMark accreditation.

By being a member of CSCSC, the data you provide will be stored electronically, unless specific objection is registered with the Club's Office Manager, we will assume that you agree to the holding of this data. CSCSC abides by the Swim England privacy policy. We would encourage all members to review the Club's [Data Protection Policy](#) and [Swim England's Privacy Policy](#).

I hereby apply for membership of CSCSC. I agree that I will abide by the rules of the club (as defined in the Swim England Code of Ethics, the Anti-Bullying Policy, Code of Conduct for Swimmers and Parents and CSCSC's Constitution) and confirm my understanding that such rules (as amended from time to time) shall govern my membership of the club. I further acknowledge and accept the responsibilities of membership as set out in these rules.

Rules and Instructions for attending lessons at ASL

Arrival

Please only arrive 5-10 minutes before the lesson start time, to get changed and make your way onto poolside. The teachers will register your child on the poolside at the beginning of the lesson. Please only come onto campus 15 minutes prior to the session time to make your way straight down to the pool.

Swimmers must be accompanied by an adult during the lesson.

What to bring

You should bring ID, as the security team may ask for this before allowing you to enter the building. Your child should bring a swimsuit, a towel, and any showering products they wish to use. Goggles and hats are advisable. We provide all equipment needed during the lessons.

Changing rooms

If your child is under the age of 8, and they need support, they should use the changing room suitable for that adult, for example, 5-year boy with mum can go into the females. Any children aged 8 and above must use the correct changing room for their gender. We also have an accessible changing room if you wish to use this instead.

Spectators

We ask, where possible, to minimize the number of people coming to watch the lessons, to reduce the number of people on the poolside for the safety of everyone. We ask that masks are worn whilst inside the school, unless exempt, however, once you are seated on the poolside you can remove your mask due to the poolside temperature. Masks should then be put back on before you start moving around again.
