

Subscriptions and fees

Whilst the club is run by volunteers, subscriptions (fees) are charged to pay for coaching, pool hire, insurance and other expenses. Other fees, such as gala entry fees and travel fees will also be charged to swimmers' accounts, where appropriate. Club subscriptions will be charged to a card on members' TeamUnify account on the 1st day of the month and are as follows:

Squad	Swimming sessions per week*	Monthly fee
Red and Orange Hats	1	£60
Yellow and Blue Hats	2	£90
Black Hats	3	£110
Advanced Development	5 or 6	£145
Bronze	3	£95
Silver	3 or 4	£95
Regional Development	5	£105
Regional Performance	7 + Land training	£170
National Performance	8 + Land training	£190
General Boarders/Uni		£25
Boarders RP and NP squads		£50

*number of sessions per week may be adjusted in accordance with pool capacity constraints and other considerations. Certain sessions may be reserved for selected swimmers.

Training sessions are held throughout the year, including most of the school holidays. **Fees are still payable if swimmers cannot attend sessions because they are going on holiday or because of other commitments.**

Fees may be adjusted from time to time. Members will be notified of any adjustments at least 1 month in advance.

New members joining the club will be charged: (i) A registration fee of £50; (ii) pro-rated fee to cover first month of membership; and (iii) full monthly fee to cover the last month of club membership (a "deposit").

Family discount

A 30% discount on the monthly fees is given to the 3rd swimmer in a family and a 50% discount on the monthly fees is given on the 4th or subsequent swimmers in a family (based on 3rd and 4th being the cheapest rates). This discount does not apply if fees have already been discounted for other reasons.

Failure to pay

Any member whose fees remain unpaid for 30 days after the due date may be suspended from all Club activities until payment is made. If payment is still not made within a further 30 days, membership will be cancelled. Save for exceptional circumstances, the Club has to report members with overdue balances to Swim England, which would affect members' ability to join a new club.

Leaving the Club

A full **one billing month written notice** is required to terminate your membership with CWSC. For example, if you send a notice on April 15th, your membership will be charged until May 31st. Please e-mail the notice to membership@cswswimming.com
