

## **Katia Braga**

**Assistant Coach – Yellow, Blue and Black Hats (Kensington)**

Katia swam competitively with the club from the age of 7 until 15, when she stopped swimming to focus on her GCSE studies. She eventually went on to take 4 A-Levels and graduated from the University of Westminster with a degree in Tourism and Events Management.

Whilst studying, Katia started working as a volunteer for CWSC and by the age of 19 she had achieved her ASA level 2 coaching qualification. One of her biggest regrets was leaving the club as a swimmer so her return as a coach has allowed her to reconnect with her love of swimming and share this passion and enthusiasm with the younger members in the club.
