

Updating login information on Team Unify

1. Login to your account by using the sign in button

2. Go to MY ACCOUNT and select Account Information

3. Select the Manage SE Account button

Manage SE Account...

4. Select the ADD mail button at the top of the page

ADD EMAIL ADDRESS

5. Add your new email address and add your new email

* Email Address:

ADD EMAIL ADDRESS

- If you receive an error message that means your secondary email address is already in use. You can not have two SportsEngine accounts with the same email address (primary or secondary).
6. Navigate to your email's inbox.
 7. In your inbox, open the "Verify Email" to verify your email address.
 8. Once you have verified your secondary email address, return to the **Settings** tab of your user dashboard.
 9. Click the **Make Primary** button next to your new email address.
 10. You can now log in to your TeamUnify site using your updated email address.
