## TeamUnify Member Details

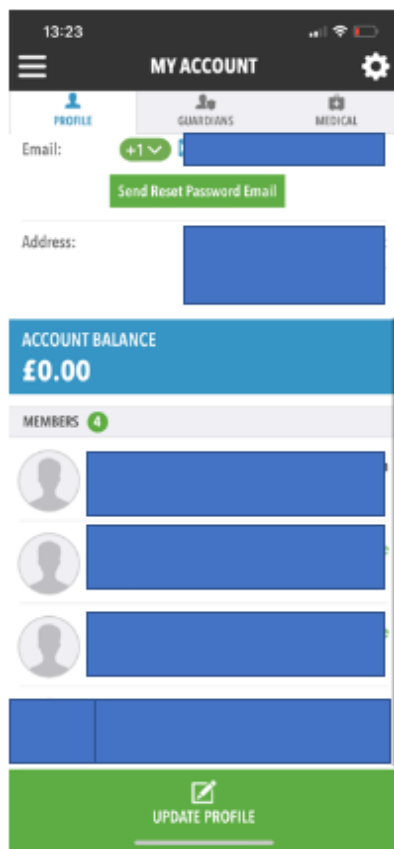

### How to upload a photo to member profile?

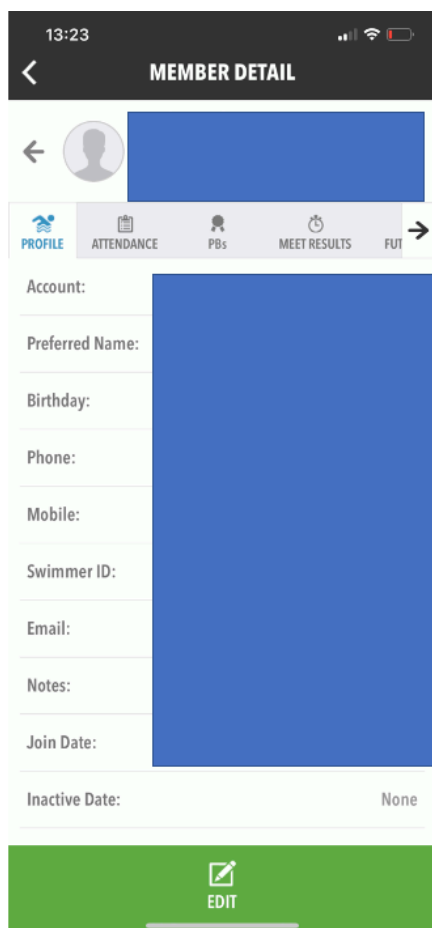

Step One:  
Go to your OnDeck mobile application, the icon should look like this:

Step Two:  
Click the three horizontal lines in the top left hand corner to make the menu bar appear. Then tap membership, followed by my account.

Step Three: Scroll down to see the members attached to your account. Click the swimmer you would like to add a photo to.

Step Four:  
When your swimmers profile has opened, click the icon next to their name at the top of your screen. From there you should be able to attach a photo to their profile.
