## Hardship Funding Policy

**UPDATED 26<sup>th</sup> September 2022**

Reading Swimming Club (RSC) pledges that every effort is made to ensure that swimmers continue with their training, despite any cases of genuine financial hardship to ensure that their club experience remains positive and uninterrupted.

The Club does not have a specific hardship fund, but all cases will be discussed by the Management Committee before a course of action is agreed.

For the first steps of this process, all applications and requests should be made through the Membership Secretary.

Confidentiality remains paramount throughout and as such, the identity of the swimmer is withheld, and the discussions will be limited to the Management Committee only.
