

# West Suffolk Swimming Club

## WEST SUFFOLK SWIMMING CLUB:

### TEAM SELECTION POLICY

#### **ARENA LEAGUE COMPETITION:**

The National Arena League team will be selected from the British rankings, with the fastest swimmer from the previous 3 months being picked. If that swimmer is unavailable, then the next ranked swimmer will be selected.

For Arena League relay teams, the fastest four freestyle swimmers will be selected and for the Medley team, it will be the fastest **combination** of four swimmers.

#### **WINTER LEAGUE COMPETITION:**

The Winter League team will be made up of swimmers that don't usually compete in the Arena League competition. The team will be picked from rankings.

\*Due to fewer numbers in certain age groups, it may be required for Arena League swimmers to compete in the Winter League competition.

#### **SUFFOLK COUNTY CHAMPIONSHIP RELAY TEAMS:**

Relay teams for the Suffolk County Championships will be decided following the first two weekends of individual events. The fastest four freestylers will be picked in the relevant age groups and for the Medley team, it will be the fastest **combination** of four swimmers.

#### **REGIONAL RELAY TEAMS:**

Relay teams for the Regional Championships will be selected from the British rankings from the previous 3 months. The fastest four freestylers (relevant to the distance of the relay) will be selected and for the Medley teams, it will be the fastest **combination** of four swimmers.

#### **NATIONAL RELAY TEAMS:**

Relay teams will be the same as the Regional Relay Teams (subject to swimmer availability).

**All team selections are at the discretion of the Head Coach**
