Swimmer Registration: The Registration desk will be situated in the Sports Hall and will **close 1 hour before each Session start time.** As the Meet is full and we will be operating to a very tight schedule to comply with ASA regulations regarding session times, any swimmer who has not signed in at closing will be assumed not to be taking part in that session and they will be automatically withdrawn, therefore avoiding the possibility of running with empty lanes. To that end, we would ask if Coaches/Team Managers could please check their team's entries before closing to avoid any errors. We will not be able to re-seed once the start sheets have been printed. Withdrawal advice from Swimmer or Coach only please.

They provide a great selection of all your swimming needs and offer an excellent service. They will be situated in the Sports Hall, please support them if you can.

Photography: We ask all swimmers and spectators wishing to take photographs and videos to ensure that they are aware of the ASA guidelines and respect them. A copy of the guidelines are available to view at <http://www.swimming.org/asa/clubs-and-members/safeguarding-children/> (Wavepower p76-77). In particular we draw your attention to the need to seek the permission of a parent or guardian of any child contained in an image BEFORE posting it on social media. Please note that, other than the official photographer, devices such as cameras, phones and tablets are not allowed to be used inside the barriers on poolside for safety reasons.

Coach Packs: These will be available for collection from the Swimmer Registration desk located in the Sports Hall on arrival and Refreshments will be available in Studio 1 for officials and coaches (upstairs). A warm-up schedule will be provided separately, please ensure your team arrives for their allocated time promptly and clears the pool when requested.
