

Medical consent

I understand that, in compliance with the Data Protection Act 1998, all efforts will be made to ensure that all medical information is accurate, kept up to date and secure and that it is used only in connection with the purpose and activities of the club. Information will not be kept once a person is no longer a member of the club. The information will be disclosed only to those members of the club for whom it is appropriate and relevant officers of the Amateur Swimming Association or British Swimming.

For Parents/Carers of swimmers under 18 years

It may be essential at some time for the Club Coach or Team Manager accompanying your son / daughter to have the necessary authority to obtain any urgent treatment, which may be required whilst at a competition with Seagulls Swimming Club.

By ticking the “Medical Consent” box on the application form you give permission for the Coach or Team Manager to give the immediately necessary authority on your behalf for any medical or surgical treatment recommended by competent medical authorities, where it would be contrary to your son/daughter’s interest, in the doctor’s medical opinion, for any delay to be incurred by seeking your personal consent.
