

Please read through the following and make sure your swimmer is familiar with the new procedure. This is a trial period for returning to swimming and we need to abide by 2RM's policy to be able to continue.

THE PROCESS ON ARRIVAL

- 1) Turn up for swimming 'pool ready' with your swimming things on under clothes.
- 2) Do not turn up more than 5 minutes before your session, if you do please wait in the carpark
- 3) On entering the leisure centre on your 1st visit you will need to collect a card from reception - these should already be completed and ready to go, if for some reason yours isn't you just need to register with them.
- 4) Once you have your card you need to swipe in at the start of each session (DO NOT LOSE IT!)
- 5) There is a one-way system in place throughout the centre in which will lead you to the pool
- 6) Markers have been marked out for swimmers to place their bags on poolside and to leave their stuff while swimmers are swimming
- 7) Swimmers will be able to use the toilet during the session which is located in the female wet side toilets and will only be allowed 1 at a time
- 8) Once the swimmers have finished, they will need to leave through the fire exit on poolside where parents will pick up.

NO CHANGING ROOMS WILL BE IN USE AT ANY POINT SO YOU CAN'T CHANGE
