This will be achieved by accepting entries in order of entry time by age in order to fill the available time in the most efficient way taking into account the number of swimmers and the overall length of the session

All entry times must be registered on the British Swimming Rankings database at level 1 to 4 meets. Entry times, converted if necessary to a 25m pool via the Sportsystems Entry Manager, must have been achieved after 1st January 2022 and must be equal to or faster than the qualifying time for that event published in this pack.

Times registered on the Masters Rankings database will be eligible for entry to the competition should they comply with the above entry conditions but will have to be submitted as manual entries. Clubs should email entries@derbyshireswimming.org.uk for details of how to enter if this is the case.
