(License No: 3SE220237)

Saturday 25th & Sunday 26th June 2022

The Pavilions in the Park, Horsham, West Sussex, RH12 2DF

Level 3 meets are aimed at all levels of swimmers & will provide a competition opportunity to enable athletes to achieve times suitable for entry into Regional and County Championships and other meets at level 1 or 2. The meet will be run to conform with current Swim England laws and regulations and Swim England technical rules of racing with these promoter's conditions. All swimmers MUST be registered with the Swim England (cat 2) or equivalent and their registration details to form part of the entry applications. Entries without the relevant information will be rejected.

Entries will be via email to atlantis.galas@gmail.com on the Hy-tek software (available to download free from the Hy-tek website – see appendix 2 for instructions). Entries not via Hy-tek will incur a £8.00 admin fee, per swimmer, payable with entry.

Entries will be accepted on a "first come first served" basis. Please note, however, that some events and sessions may become fully subscribed sooner than others. Acceptance into all events applied for cannot therefore be guaranteed.

The promoter reserves the right to give preference to accepting club entries whose swimmers (meeting qualifying times) are travelling long distances (over 100 miles) due to having to pre book accommodation and/or flights.

Atlantis does not accept any responsibility for Hy-Tek files that are entered incorrectly. Please be aware that any swimmer's details entered incomplete or incorrectly on the Hy-Tek file will prevent their times being updated by rankings.

Prior to the meet, clubs will receive an email of entries. Please ensure you check this for accuracy and notify any errors no later than the 1st June 2022. Please make any enquires or queries regarding entries via your entry club.

Confirmation of Entries - Please note: Sending in entry via Hy-Tek or manual form is 'making an application', confirmation of acceptance will be sent via e-mail from atlantis.galas@gmail.com as soon as possible after the closing date (or once the meet is full) when all processing of applications is complete, this may take a number of days. Do not transfer funds until an entry is confirmed as accepted.

Entries open on Wednesday 18th May 2022 at Midday.

The closing date is Saturday 28nd May 2022 at Midday, or when the meet is full.

Late Entries after the official closing date may be considered up to 22nd June, after this date we maybe able to accept on the day/time trials if space (see below). The promoters reserve the right to accept swimmers outside of the qualifying standards, after the closing date if the meet is not full.

Entries on the day/Time Trials - Entry to an event on the day by swimmers already accepted into the Gala may be possible if a lane becomes available in a heat, no new heats will be added to an event. Competitors wishing to swim time trials should register their interest at the Promoters desk, at the earliest point (no later than the start of each session prior to warm up). There will be a charge of £10.00 per time trial, payable on acceptance prior to being accepted in whipping/call area. There will be no awards for TT's and will be entered as exhibition swims, but times achieved will go to Rankings.

If any session is timed to exceed 3 hours, we are required to programme a 15 minute break for officials in that session. If this is necessary then the timing of this break will be published after the closing date once the number of entries are confirmed.

Qualifying times – for this meet are shown in Appendix 1 and are short course entry times. All entries must be short course (converted long course times are acceptable) and you must not be faster than the stated upper time limits. Time limits apply at the time entries are submitted, there is no requirement to withdraw a swimmer if he/she subsequently goes faster than the upper time limit. All qualifying times must have been achieved at a licensed meet (level 4 or above) and will be subject to checks on the Swim England rankings website.

Disability swimmers do not have to meet the Qualifying times in order to enter this meet but please advise us by email so that their entry is not rejected if outside of QT's

- Where there are only three competitors in an event, only the top two placed will receive medals
- Where there are only two competitors in an event, only the winner will receive a medal
- If there is only one para-swimming competitor in an event, they will receive a medal only if they swim faster than their entry time.

Results will be on a heat declared basis. There will be no finals. All heats of each event will be spearheaded by Hy-Tek Meet Manager.

Officials – We request that each club seeks to provide as many Licensed Officials or Judge Level 1 candidates (qualified as timekeepers) as possible, to cover ALL sessions fully. If we do not have enough officials to meet licensing requirements, the ultimate sanction could be that the meet would be downgraded to a lower license level and the times recorded by swimmers would not be allowed into ‘rankings’ as at that date/level.

Refreshments will be provided during sessions and breaks. Tea/Coffee on morning arrival, during the session break there will be juice & pastries and lunch provided for officials doing both sessions in the day. Travel expenses will be considered for those officials that do not have their own child swimming.

As this is a level 3 meet, we can also accept offers from qualified timekeepers working towards the J1 qualification. We will offer mentoring where possible for trainees of any level but this can only be offered when we have met the Swim England requirements for qualified officials.

You can contact our officials co-ordinator on atlantis.officials@gmail.com

Only a small bag will be permitted poolside. Swimmers must use the lockers provided for their large kit bags. These require a £1 coin to operate which is refundable on releasing the locker. Personal possessions and articles should not be left unattended, ensure your locker key is kept safely – the promoters do not accept responsibility for any property. On the day, Coaches/Team Managers should submit their clubs withdrawals electronically, before the start of each session’s warm up (QR code will be provided in your coach pack and at the IT desk). Scan the QR code on a smart phone, which will link you to a withdrawal form, this is then sent automatically to the gala team and you will receive an email confirmation of withdrawal made. Withdrawals due to covid – please contact us for the latest information.

Conduct of swimmers - Coaches/Team managers will be responsible for the conduct of their swimmers.

Access to poolside will at all times be limited to swimmers, coaches in possession of a valid coaches pass, meet officials and other personnel necessary for the safe running of the meet. Due to the hazard of wet, tiled steps, there will be NO DIRECT access allowed from poolside to spectator areas.

Starts - Coaches and clubs must be responsible for ensuring that all of their swimmers are competent to perform a shallow racing dive to the standards of the Swim England competitive starts award. In the event of a false start, competitors should continue with a safe shallow racing dive and not fall into the water. Swimmers are permitted to start in the water but must advise the referee prior to the start of their heat. Over the top starts will operate at the discretion of the principle referee.

Warm up protocol – Clubs will be allocated warm up lanes and may organise their own warm ups as they see fit, including any one way sprints they wish their swimmers to perform (if sharing a lane please agree with all coaches). When exiting the pool, all swimmers must leave at the shallow end.

Marshal area - Competitors for the first event in each session must report to the marshal area immediately after each warm-up. For other events, competitors should report when called. It is the swimmers and their coaches' responsibility that they report to the marshal area on time. There will be NO announcements calling late swimmers.

How to Use TM Lite

Atlantis request that entries are submitted electronically. Team Managers will need to download *Team Manager Lite* if they do not already use this software. Download the free entry file system (lite) from this link <https://hytek.active.com/downloads.html>

If you have previously downloaded & set up TM Lite, skip to step 4.

If you are already using the full version of Team Manager, then skip to step 5.

1. Click **File / Open** and type in a database name to create a TM database (normally the abbreviation of your Club, but the default will suffice). Click OK on the 'Log In to' window.
2. In System Preferences, choose British Swimming in **Default Team Registration**, AGE in **Default Team Type** and GBR in **Default Country**. In the **Meet Age-Up Date** box enter the age-up date according to the conditions of the meet. Enter the same date in the **Systems Age-Up Date**. A window will then pop-up. Click OK;
3. From the main menu click **Teams** then click **Add** and add your Team **Abrr, Full Team Name and Short Team Name**. Click  to return to the main menu;
4. Click Athletes in the main menu. Click Add to add swimmers that are to compete in the Meet. Fill in: **Last Name, First Name, Birthdate, ID#** (ASA number), **Gender** and **Team 1**. Ensure full name is as per their ASA membership record to avoid problems with acceptance by rankings. Click OK. Upon completion of last swimmer record, click OK then Cancel, then click  ;
5. Import the Meet Events file into TM Lite or Team Manager using **File / Import / Meet Events**. This is a zipped file – there is no need to unzip the files before attempting to import the Meet Events.
6. On the main screen click **Meets**, select the meet and click **Entries** and select **Entry By Event** or **Entries By Name** to place swimmers into individual events. Eligible events should appear listed (if not check if the swimmer is old enough to enter the meet). If a valid entry time is not available, for each entry, you must enter a custom entry time, or enter NT (no time). Please check that any times entered comply with the relevant qualifying times (displayed elsewhere on that screen). Subject to the conditions of the meet saying so, times entered that are too fast may be accepted as a time only swim, with the swimmer not being eligible for an award, if available.
7. For relay events, on the main screen click Meets, select the meet and click Entries and select **Entry by Event**. Click "New Relay". If you wish to finalise your relay teams now (not required), double click the 4 swimmers you wish to place in the relay team. Change the order of the teams by dragging and dropping the swimmer's name into the correct relay leg. If a valid entry time is not available you must enter a custom entry time, or enter NT (no time). To add a second relay team, click "New Relay" and repeat process.
8. On the main screen click **Reports / Meet Reports / Meet Entries** to create a report of the meet entries to verify that all entries are complete and correct;
9. On the main screen click **File / Export / Meet Entries**. This will create a zipped file. Locate that zipped file and send it via email to atlantis.galas@gmail.com

As soon as possible after the closing date of the meet (or once the meet is full) you will receive an email confirmation of entries (& payment request), please ensure you check this for accuracy and notify any errors.

Please not that if you have the basic Team Manager, this entry process is much easier as your athlete's data is already entered and TM would automatically be able to determine which of your swimmers qualify for each event and will use each swimmer's Best Time as the entry time for the meet – no need to enter a Custom Entry Time for each entry and each meet.
