### UPPER LIMIT TIMES

In accordance with the Swim England guidelines for level 3 licensed meets, there are Upper Limit Times and swimmers may not enter times faster than the Upper Limit Time. The Upper Limit Times are attached and are all short course times. Please note that it may be necessary to reject entries

from swimmers to keep the meet running within the time limits imposed by Swim England. We have designed our programme of events to ensure we can accept as many swimmers as possible. If it is necessary to restrict the number of entries we will reject single event entries then the slowest swimmers taking into account age group and session balance. Entries from the Newbury Club may be allowed outside these criteria.

## REGISTRATION

Registration will not be required but Coaches must complete a **withdrawal form** for non-competing swimmers and pass to poolside desk.

Heats will be seeded in entry time order ie. heat 1 for the slowest accepted entries. The final heat will be in spearhead formation. Some entries may be reserved for Newbury swimmers.

## FINALS

All events will be heat declared winner (HDW).

## AWARDS

The first three swimmers in every event in each age group will receive medals. There will be awards made to the top male and female swimmer and a trophy will be awarded to the highest scoring visiting club based upon points accumulated in the first six places in each event.

Swimmers exceeding the Upper Limit time will receive speeding tickets and will be excluded from the medal positions. Speeding ticket swims will not contribute towards a swimmer's or club's point score.

## PRESENTATIONS

Presentations will be made at the end of the meet for the Top Girl, Top Boy and the Top Club. Medals should be collected during the meet from the medals table in the learner pool area.

## WARM UP

The warm up will end 5 minutes before the start of each session.

## REPORTING FOR EVENTS

Competitors in the first event of each session must report to the Stewards 10 minutes before the scheduled start time. Competitors in other events must report to the Stewards one clear event before the event in which they are swimming.

## SPECTATORS

Spectators will be expected to have a wrist band for the current session. The viewing gallery may be cleared between sessions. Swimmers who leave the pool side and changing area must be dry, suitably dressed and shod.

## FIRST AID

Assistance is available from Reception. Lifeguards who are trained first aiders will be on hand throughout the meet.

## REFRESHMENTS

Meals, light refreshments and drinks, including vending machines, will be available in the Leisure Centre throughout the meet.

## DATA PROTECTION

Newbury District Swimming Club uses a computer to manage entries and results. By submitting entries and accepting entry to the meet, consent is thereby given, as required under GDPR, to the holding of personal information on a computer. ## PHOTOGRAPHY

## ENTRIES

Entries can be made with Hy-Tek entries file **or** the official entry form attached; one swimmer per sheet in order to avoid errors. Submitted times should be current short course or converted long course times. An events file download will be available on request or via the website [ndsc.co.uk](http://ndsc.co.uk).
