

Farnham Masters at the Lido 2018

An intrepid group of 17 Masters swimmers braved the bright sun and cold wind early Saturday morning for a session at the Guildford Lido. Big Thanks to Sean for setting a session (optimistic at 3k!) and we soon discovered back stroke is interesting in the sun with no flags. Swimmers decamped to the Beefeater for a hearty Breakfast well earned – We look forward to the new season in September enjoy the summer comrades !
